NURSE TAYLOR ENDS LONG CAREER

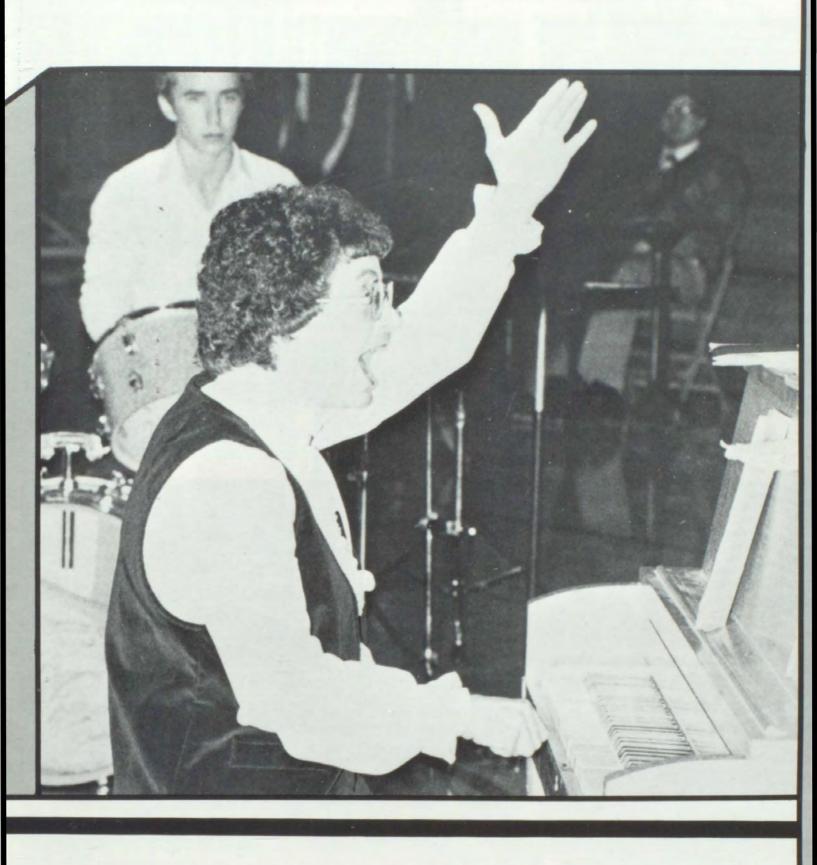

The fall of 1982 marked 20 years of dedicated service for Mrs. Ruth Taylor, school nurse. She was always good natured, hard working, and eager to help when her expertise was needed. Besides administering to those who needed medical attention, her duties included keeping health records, giving screening tests for hearing and vision, and teaching health and safety to students at all levels. Her fervor and dedication were evidence that she loved her work; moreover, she loved people. It is for these reasons and more that we, the Viking Staff, dedicate this 1982 book of memories to her.

SPRING TEAM

The boys started the season with a record 40 people signed up; 35 of those were letter winners. The numbers were encouraging but the team lacked depth in reference to strength. In dual meets the boys held their own; in larger meets they placed about as expected. The Polevaulters seemed to be the bright spot with D. Brown setting a new Fr.-Soph. conference record and F. Cook setting a new school record which qualified him for state. This was the fourth straight year with nine different athletes representing Cambridge at state.

The girls started the 1982 track season with around 35 signed up; 24 of those members won letters for the season. The girls team lacked in depth and experience with more than half the team comprised of freshmen and sophomores. Next season looks to be a promising one for the girls. Cambridge placed fourth at conference; individual place winners were J. Hites third n high jump, and Ta. Black, second in the 110 yd. low hurdles and third in the 220 yd. low hurdles. Ta. Black went on to compete at the District meet in Erie.

We, as editors of the "1982 Viking," hope that through these words and pictures the memory of the past year will remain in your hearts forever.

Lana & Laura

Faces of old and faces of new,
People we know and people we knew.
Growing together then drifting apart,
Always an ending and now a new start.
Through the year we all grew nearer,
And all our friends seemed so much dearer.
And as we say our final goodbye,
One last embrace and one more cry,
A "Keep in Touch" and a "Promise I Will,"
A "Remember when?" but better still,
Safe in my heart you'll always stay.
That's what is said as we go our own way.
