We finished in 2nd place in the conference behind a strong United team. Head to head they beat us in a close match 26-24, 20-25, 25-21. These ladies worked hard and fought from behind several times to earn the win. This team shows a lot of potential and I look forward to seeing them together again as Varsity.

Our first game of the year was against Stark County, the only team to beat us last year, so we knew we had something to work for. All the hard work in the weight room and during the two-a-days really paid off. We finished the season 7-2. Although the two losses were disappointing, I feel we had a solid season.

Post Season

S p o r t s

All of the sports teams went on to post season play. All of the fall sports teams played well during the regular season. After a good season the volleyball team played a fantastic game for their first regional game. They were not able to continue their winning streak when they lost a tough game in round two of regionals. The football team won the WP League East during the regular season. They played Mooseheart at home for game one of the playoffs and then lost a heartbreaker to Stockton. The golf team sent Amy Herges to the state competition. There she placed seventeenth and took All-State honors.

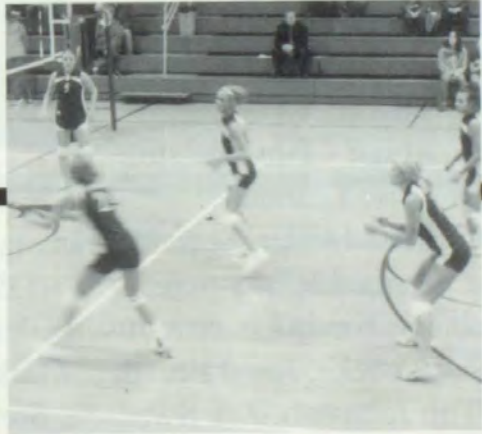

Winter sports were next with girls and boys basketball. The boys struggled but improved their record from the previous year. The girls again had a good year even with Mrs. Lewis missing part of the season to give birth to a baby girl. The girls played Aledo in the first round of regionals and Sherrard in the second. The boys lost a tough game to Knoxville in the first round at AlWood. The dance team qualified for state in pom dance. They took fourth place.

Spring sports went well. Track, softball and baseball all co-oped with AlWood this year. Cambridge sent seven girls and two guys to AlWood for softball and baseball. The softball team improved from last year. They won their first game in sectionals but were unable to advance any farther. The boys baseball team won the first two games in regional play. They lost a heartbreaker in the Championship. The girls track team had a great season. AlWood filled several important holes in the team. The team took fourth at sectionals and Heather Hull and Carli Schieferdecker advanced to state. The boys track team did well at sectionals but was unable to send anyone on to the state meet.

"I think we had a good season and a fun one. The girls wanted me to go into labor during practice, but if I got excited at a game they told me to calm down so I wouldn't have it during the game. Our overall record was 16 & 11 and 7 - 4 in conference. The girls won the games that they should have considering our strengthened schedule. We won our CHS tournament."

GIRLS TRACK AWARDS

F/S Spirit - Jasmine Beam Varsity Spirit - Anna Evert
Best Runner - Nina Johnson
Best Field Event - Heather Hull
Most Versatile - Jena Peterson

This was track's first year as the black and white uniformed "A/C Track" (AlWood - Cambridge Co-op), and it could not have gone smoother! AlWood has filled in the missing pieces on the Cambridge track team and vice-versa! The girls's team has managed to break the school record in the 4X800, the 4X400, the triple jump, the 1-mile, and the 2-mile this year alone! We sent three girls to state: Heather Hull in the High Jump, Carli Schieferdecker in the Long Jump, and Nina Johnson in the 1 & 2 mile! Also, we won 1st place at the Bushnell relays! As you can tell we had an amazing group of athletes who put everything on the line and gave it their entire heart and soul! It has been an amazing year for us as first-year coaches. We hope that the entire team walks away with great memories; not only of the sport, but also of the great times we had - from scavenger hunts to tie dying, and from foam stars to spirit beads! Thanks for a great season.

The 06-07 Dance Team began their season directly following tryouts in the spring of 2006. Over the summer, the team practiced, performed at the Galva Freedom Fest, and went to an Ameridance Camp at NIU in DeKalb. The team worked hard to fundraise money for their season by working at the football concession stands. With the basketball season came 11 performances at the Varsity boy's home games. The Dance Team also competed with a Dance & a Pom Dance routine. They went to Sectionals with both routines, and then on to State with the Pom Dance routine "Jungle Love." The team placed 4th in the (A) category out of 7 teams at the State Competition & 33 teams throughout the State.

Scholastic Bowl

Below (L-R): Miss Cheatham, Clayton Carr, Carl Hammer, Marc Goodwin, Chase Maertens, Jared Wells, Andrew Frew, Brinton Vincent, Sarah Wells, Jared Brandau, Hannah Vidakovich.

Words from Miss Cheatham:

I became the Scholastic Bowl Coach by chance this year, and came into it with a little bit of trepidation. I knew very little about the rules of the game and was worried that things would go directly over my head. However, what I ended up with was an amazing group of kids who just love the game and LOOOVE to have fun! I had two senior captains (or captain and wing-man as they tend to call themselves) Hannah Vidakovich & Carl Hammer, who went above and beyond their call of duty. They went from the role of key point earners to teachers of the "newbies" that went out for Scholastic Bowl this year. I often caught Hannah teaching new mathematical concepts and found Carl using his extreme patience to explain little aspects of the rules. I could NEVER have made it through this year without these two!

Our team improved sooooo much over the season that it was remarkable! We went from a two-person team, to a full team where EVERYONE answered questions. By the end we were someone that all the other teams respected and were scared of! We ended up defeating teams that beat us at the beginning of the year by over 100pts...and there is no greater feeling as a coach than to see everyone do so well! One of the biggest accomplishments for our team, was seeing Carl Hammer receive the all-conference award for answering the most questions out of any team at the LTC meet! It was amazing to see him recognized! Both Hannah and Carl will be greatly missed next year!

When I think of this year and this group I will ALWAYS remember the late night car rides on the icy roads in the caravan. I will remember all the times we stopped for dinner after the meet, and all the hilarious and unfortunate events that occurred from stopping. I will remember all the times I laughed so hard I couldn't stop...and I will never forget "Scholastic Bowl Sam". Seniors, thanks for being so great this year, because of you I have an amazing team to work with next year! Thanks everyone for a great season!

Words from Mrs. Tschappat:

He also competed at the regionals held at Spoon River Valley. There he took fifth place nearly making it to sectionals his first year performing verse.

"Forecast a Viking Victory"

Homecoming 2006

...This year's homecoming was set for Saturday, September 30. The Student Council chose a weather theme, "Forecast a Viking Victory."

Beginning on Friday, September 22, students were dismissed at 1:30 p.m. to decorate the hallways. Each class was given a hallway to design and decorate for exactly one hour. The hallways were judged later that day and the seniors won with the theme "Vikings Will Storm the Geese."

Monday, September 25, began the annual spirit week leading up to homecoming day. Each day, students dressed up according to a given theme. On Thursday, there was a school assembly from 1:30 to 2:40 that offered many class competitions, a Dance Team performance, a

Cheerleader performance, and the results of the week's competition.

Thursday evening brought the Vikings and their supporters out to the bowl for the annual pre-game bonfire. Included was a pep rally hosted by the cheerleaders, a Dance Team performance, announcement of the homecoming court, and lighting of the fire by the king and queen.

Following homecoming week, on Monday, October 2, the winners of the class competitions were announced. Each class had an overall score that included the hallway decorations, dress up participation, class competitions, and parade floats. Winning was the juniors, followed in second by the seniors, sophomores, then freshmen...

Casey Happach & Eric Leander are ready to throw the Wethersfield dressed dummy into the bonfire on Thursday night.

...the game...

...There was a strong sense of history & tradition at the homecoming game on Saturday, September 30. This was the last homecoming game for Head Coach Larry Stahl. Many alumni gathered at the bowl to watch the last of his 27 season career.

The Vikings beat the Wethersfield Geese 56-12, their

fifth straight win. It was a great way to spend the afternoon in the spirit of homecoming.

That evening an annual dance was held in the High School gymnasium. The decorations were done by the student officers, Mrs. Solberg, & Mrs. Lisa Miller throughout the day on Friday, September 29...

A Black Tie Affair

Prom 2007

Prom was held on Saturday, April 28, 2007. Following a full day of hair and nail appointments for the ladies, everyone met at the courthouse for a Promenade at 4:15 p.m. Parents, family, and friends were able to see the junior and senior classes dressed in their very best. Pictures were taken on the courthouse steps before the students packed into numerous vehicles including cars, trucks, motorcycles and even a limo! Prom was held at the Oak Wood Country Club outside of Coal Valley on Route 6. A formal dinner of roast beef, chicken, and the fixings was served, followed by group photos, coronation, and dancing. Party favors this year were framed photos of each group of students as they entered the country club.

The Geneseo Community Center once again hosted Cambridge's after prom this year. The junior parents worked hard to set up many activities throughout the Community Center. Laser tag, guitar hero, casino games, a giant tricycle obstacle course, basketball, volleyball, and a movie were enough to keep everyone busy during the wee hours of the night! Prizes were done differently this year as well...each student were able to receive their choice of a \$50 gift card to Target, Best Buy or Walmart. Next, a combination of other large and small prizes were drawn for by Mr. Reagan.

Prom was a success this year, and a great way to wind down the Senior's last year!

GOODBYE

Having reached the end of the yearbook, we would like to thank those who put a great deal of time and effort into the book throughout the year. A huge thanks to Mrs. Brandau for being the leading force this year, whether it was an easy task or not. Also thank you to Mrs. Witter for all of wonderful pictures you took for us.

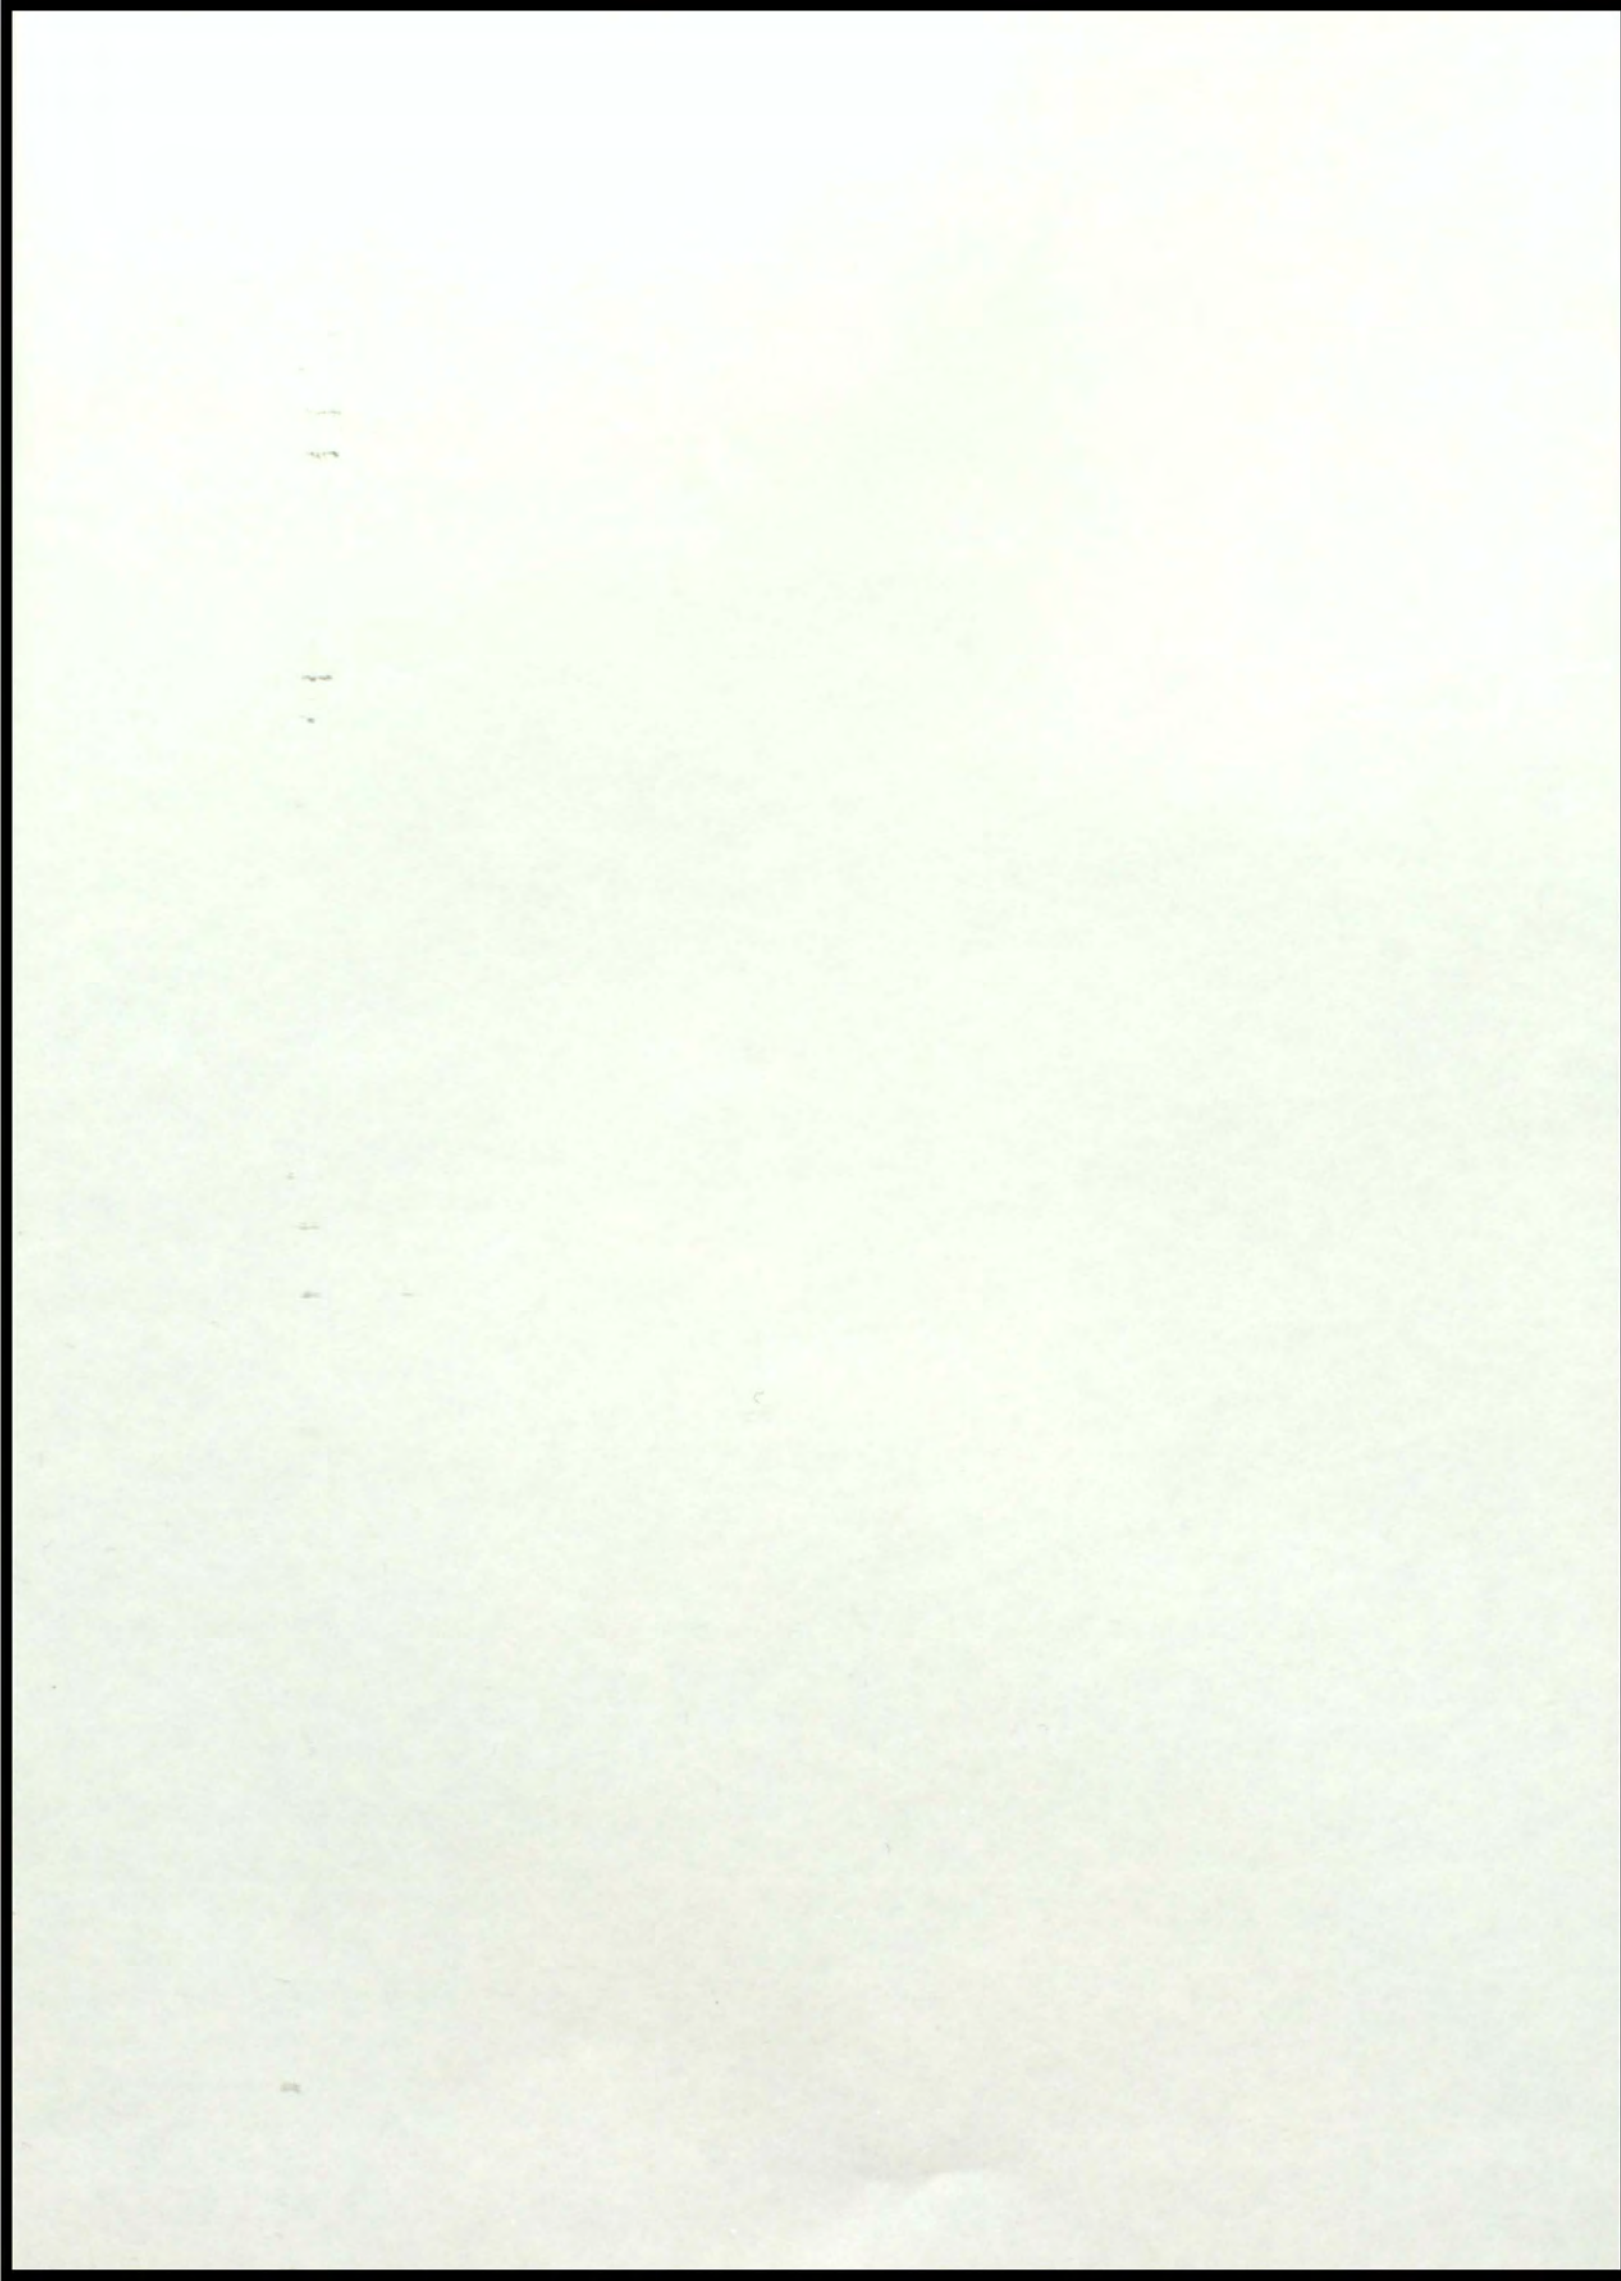

We would like to thank Mr. Denison, Mr. Stahl, and Mrs. Stromquist for their great dedication over the years and all the best for the years to come!

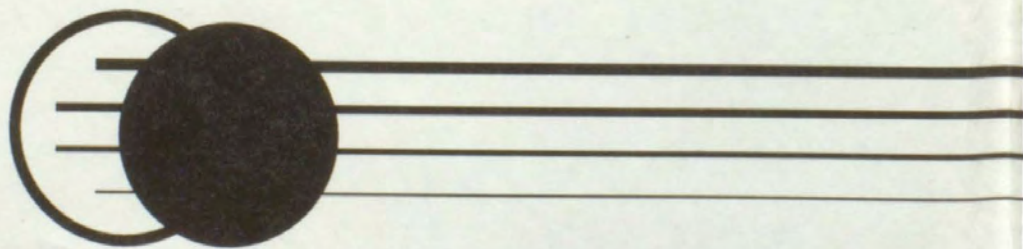

To the Seniors...Good luck in all of your future endeavors! CHS has been a turning point in all of our lives. Keep your memories and successes as you move on to new experiences in your lives. Sincerely, the 2006-2007 Yearbook Staff,
