Foreword

Dear Diary

With this entry, the story of yet another eventful school year begins. Our daily jottings, our pictures, both candid and posed, together form the familiar composite of nine months crowded with studies, activity, and fun.

At some hazy future date, as you leaf the pages of our book, we hope you will find more than enough to revive old memories of your best days at Cambridge High School.

The Editor and Staff

Dedication

In the fall of '53, there was a new principal in the office of Cambridge High School. But Mr. Page was not a stranger to our students, for he had previously served us for eight years as an excellent coach and teacher of Modern Problems. Also under his guidance, the Student Council has become one of the most active of our organizations.

We greatly appreciate his fair and democratic methods of settling the inevitable problems of the school year. We shall always remember with gratitude his interest in the welfare of every child in our school system.

To you, Mr. Page, we dedicate this record of all that is best in our school year.

Mrs. Dimick, or "Betty," as she is known to everyone, means more to us than a school secretary. She is a personal friend of each student. Many times she has willingly put aside her own work to help some bewildered teen-ager. You will quite often find a group of young people leaning over the counter talking to her after school. In addition, Betty has a talent for remembering the "little things" that make our school life more cheerful. For these things and many more, we sincerely dedicate this annual to Betty.

School Life

Our diary is open...we are ready to write our impressions of life at Cambridge High... Where shall we start? There is so much to tell...teachers Board of Education... Classes...bus drivers...custodians... cooks... All of those who have anything to do with our school. So here they all are for us to remember... photographed against familiar backgrounds of classroom ...desk...shop...office teachers talking with us... listening to our problems...advising...warning... encouraging... But there is also the most important part of the school... We students! Let's get acquainted with Jack... Pat... Bill... Carol... Don, and all the rest of us.

Board Of Education

LEFT TO RIGHT: Mr. Emery Anderson, Mr. James Gustafson, Mr. Winslow Anderson, Mr. Wayne Newlin, Mrs. Betty Dimick, Mr. Leslie Fickling, Mr. Robert Arndt, Mr. Ralph Nelson, and Mr. Warren Page.

Emery Anderson is President of the Board of Education, and his duties keep him very busy with school affairs. He owns the Anderson Electric Company in Cambridge and has several times loaned television sets to the schools so that we can enjoy special events. We appreciate his generosity. He has been on the Board since it was organized in 1948.

W.D. Hutchinson, Secretary of the Board, is well known for his interest in school sports. He has been a member of the Board since 1948 and is retiring this spring in order to give more time to his expanding business at the Cambridge Hatchery. Jack Hutchinson has given many hours of his time in working for the betterment of our schools, and his sincere interest will be greatly missed.

Ralph Nelson farms southeast of Cambridge and has been on the Board seven years. In addition to his work with the schools, he has shown his interest in young people through his work with 4-H groups and horse shows. His keen sense of humor is one of his many assets.

James Gustafson finds time from his farming activities for many community interests. Like all the Board members, he is very faithful about attending meetings and often represents the organization on various committees in the county and state. He has been a member since 1948.

Robert Arndt left the Board after three years of service but returned three years later. He is a farmer and has been active in the stock exhibits at the local fairs. He represents the Board as a member of our Adult Farmer Group.

Leslie Fickling, who became a member upon the retirement of his father, Lawrence Fickling, has the same quiet manner and the same good judgment. He has been a member since 1951. Farming is his business, and bowling is one of his hobbies.

Winslow Anderson farms southwest of Cambridge. He is now in his fourth year on the Board. He is active in church and community interests and loves to go fishing.

Mr. Donald Hutchinson, who is retiring from the school board this year, confers with Mr. Page.

Faculty

Dear Diary.

At the beginning of this new school year, it seems fitting that our first entry should be about our faculty since they are the real "heart" of the school. Some of us know all of them personally, but in order to remember them in years to come, we're going to tell you who they are and what they do each day.

First there is Mr. Warren Page, who has degrees from both Western State Teachers College and the University of Illinois. He has been our superintendent for two years, and we are grateful to him for our smoothly running school. He also sponsors the Student Council and the National Honor Society. It is he who makes us conscious of our duties as American citizens in Modern Problems class.

School wouldn't be the same without Mr. Eugene Anthony, a graduate of Northern Illinois Teachers College and director of our band and chorus. He has added much interest to the music department, and we are enjoying working with him on the Christmas pageant, marching band, and spring music contests. During summer vacation, he directs our students in a series of Wednesday night concerts.

Mr. Albert Smith, or "Coach", is the coach of the varsity football, basketball, and track teams. Coach also teaches boys' physical education and several history classes. Mr. Smith, who received degrees from Northern State Teachers College and Colorado State, is the sponsor of the Varsity Club and co-sponsor of the sophomore class.

Mr. Raymond Johnson, known by most of us as "Johnny" or "Coach," received his B. S. degree from the University of Iowa. He teaches four math classes and is senior class co-sponsor. We all know we have to behave in his classes. Mr. Johnson has always been interested in sports and officiates in the Cornbelt Conference.

The typing room is one of the most popular rooms in the building. One can always find some Typing I students seeking help with certain exercises, when Miss Barbara Maras is not teaching one of her six classes. Miss Maras teaches two Typing I classes, Typing II, office practice, bookkeeping, and shorthand. Besides these teaching duties, she is the co-sponsor of the sophomore class. This year she is teaching a night class in typing for adults.

James Doyle is Mr. Smith's able assistant at coaching football and the freshman and sophomore basketball team. Besides teaching physical education at the grade school, he conducts a morning manual arts class here. His school is Illinois State Normal University, where he received a B. S. degree.

Miss Mae Miller, a graduate of Illinois State Normal University, is the teacher of a very popular class with the girls. She has three home economics classes a day. She also is co-sponsor of the junior class. She is also teaching an adult night class in home economics.

"Buenos dias, clase!" This is the greeting the Spanish class hears at the beginning of fifth period every day. Miss Joan Ollis, a graduate of Western Illinois State Teachers College, teaches three English classes a day besides the Spanish class. She also has charge of a very up-to-date library and is dramatics coach of most of the plays that are presented during the year.

Mr. Alan Utech, a graduate of Iowa State Teachers College and Morning Side College of Sioux City, Iowa, is the teacher of three Ag classes a day. Mr. Utech also teaches a night Ag class to a veterans' group. Besides his teaching duties, Mr. Utech is the sponsor of the F. F. A. and co-sponsor of the junior class.

Miss Elisabeth Westerlund, who has a degree from the University of Illinois, is head of the high school English classes besides sponsoring the Maroon and White staff, which writes the high school column for the Chronicle. She also is the advisor to the Viking staff and is constantly advising its members and checking different parts of the annual.

If you were to wander into the science room at any time of the day, you would find it the center of many activities and experiments. Mr. Jack Young keeps his energetic students busy, teaching them general science, biology, and physics. In addition he sponsors the Wizards Science Club, P. C. B. Science Club, and the freshman club. He also has charge of the annual Viking Carnival. Mr. Young has degrees from Northwestern University and De Paul University.

Our Physical Education teacher, Miss Roylene Peterson, has contributed greatly to our school curriculum by offering a program benefiting all pupils. In addition to the teaching of physical activities, Miss Peterson has a class in World History. Each year a special feature Physical Education show, complete with theme, is presented with the combined efforts of Miss Peterson and Coach Albert Smith for the purpose of displaying the many different skills to which all pupils have been trained.

Mrs. Loretta Schumaker, our school nurse, plays an important part in our school program. She deals primarily with the planning and carrying out of a balanced health program. With the help of the local doctors, various tests and injections are administered to those in need of such tests or who otherwise desire them. For the senior girls our nurse conducts a home-nursing class. Mrs. Schumaker serves in both the grade school and high school.

Mrs. Betty Dimick is our school secretary. However she does more than keep the books of the Cambridge School System. Betty is a friend to everyone who enters the office, whether he be a salesman of school supplies, a class treasurer who wishes to find out how his class finances are holding out, someone wishing to make a call, a teacher collecting his mail or just someone stopping by to chat for a minute. She always seems to know what is going on and is willing to give information with a smile.

We can often smell the fragrant odors drifting from the kitchen during fourth and fifth periods. The minute that the last morning bell rings is long awaited, for then we go to partake of the food prepared by Mrs. Rose Echelberger and Mrs. Tucker, our two fine cooks. They prepare delicious meals the whole year through, but their holiday treats are the most eagerly anticipated of all the meals.

We have very often heard visitors remark on the amazing cleanliness of our school and campus. This cleanliness is due to the efforts of Mr. and Mrs. Frank Cousins and Mrs. Elmer Danielson, our custodians. The custodians put in many long hours at the school and are responsible for the appearance of one of the best looking schools in the area. Mr. and Mrs. Cousins and Mrs. Danielson are noted not only for their efficiency, but are liked by all of us for their friendliness and fairness.

We then come to our last entry of the school staff, but some of the most important men of all, the bus drivers. They are the ones upon whom the pupils are dependent for a ride to school. They have maintained an excellent safety record and are very efficient in their transportation of the students to and from the school. The drivers are LaVerne Peterson, Carl Lindstrom, Duane Tomlinson, Andy Johnson, Perry Leander, Harvey VanDyck, and Everett Palmer. Mr. Peterson and Mr. Tomlinson serve double duty by transporting students to out of town events.

Senior Class

Our Diary of senior year records some rather important events. . . . For instance, when we walked through the doorway to C. C. H. S. in the fall of '54, we were anticipating a gay yet busy final year. It is true, we did not sponsor any major projects like the prom, but we did arrange for freshman initiation. We imposed unique and awful methods of torture that memorable Friday night. And yet it was all in fun and perfectly harmless, too.

Oh, yes! There was the chili supper, too. What fun that was! It seemed that everyone ate more chili than he had ever eaten before. The proceeds certainly helped our class funds! Our sponsors, Miss Peterson and Mr. Johnson, did much toward assisting us with these projects.

Around homecoming time we took the lead over the other classes as we chose our candidates, Marilyn Robinson and Paul Moon, who became king and queen of the festivities, and Donna Smith and Roger Echelberger, the senior candidates.

Next on our list of memorable events was the Viking Carnival. We seniors were in charge of most of the committees and played an important part in the planning. We like to think we have this privilege because we have learned and practiced dependability and co-operation a little longer than the underclassmen. Our candidates for the traditional royalty were June Peterson and Virgil Larson.

The end of the school year brings prom. Following that, graduation. Then we must close the book that symbolizes this part of our education. But this gesture is not a sad one, for graduation opens new doors for us, doors to all kinds of trades, jobs, and professions. And we are young and willing and enthusiastic, another group of typical young Americans, eager to prove we can make our way.

Mr. Johnson and Miss Peterson were our sponsors this year..

Junior Class

Juniors, 1955.... Here we are, twenty-nine Juniors! It seems only a short time ago that we entered C.C.H.S. as bewildered freshmen. But we soon "caught on," and the school year swiftly passed. Each month we became more sophisticated.

Last spring we sponsored the Hop, the theme of which was a Carousel. Everyone enjoyed dancing within the circle made by our colored merry-go-round. The annual prom we will sponsor this year.

Stanley Nelson and Tom Finnicum are our two representatives on the football squad. Bill Adams, who moved to Macomb in December, was another football player from our class. Bill made the All-Conference team. As for basketball, we have only the representative, Tom Finnicum.

In one cheering department, however, we are well represented, since three of the four varsity cheerleaders are juniors. Betty, Barbara, and Jeanine do their share towards leading our team to victory.

For us the 1954 Carnival was a highlight that we shall never forget. Our success began the night of the parade when our float, "Tunnel of Love," won the prize for being the prettiest, and our old cars won honorable mention for clever advertising. On the big night of the Carnival itself, our candidates, Sherry and Stanley, stepped to the throne to be crowned king and queen! We felt then, that all our efforts to prove that our juniors have a great deal of potential talent and intelligence, had not been wasted.

Half time.... Here comes the band..... and look, there are nine junior members! Barbara Mosher, Jeanine Sanquist, Jim Lewis, Tom Finnicum, Marilyn De Kezel, Pat Hoyt, Oscar Carlson, Stanley Nelson, and Barbara Arnstedt!

This spring, as upper-classmen, we are looking forward to our junior class play, the prom, and our final year in high school.

Our class sponsors, Mr. Utech and Miss Miller, talk over some of the coming class projects.

Sophomore Class

The clock is ticking onward toward the end of another year. Just completed is our second year at C.C.H.S., which has been filled with all the prerequisites a sophomore must attain before he may be regarded as an upper classman. But, Diary, have no fear, for we have made the grade. Imagine, no more being characterized as "green," "silly," "etc!"

First, the football scrimmage line, followed closely by the basketball floor, have provided the stage for our future athletic stars. How about it "Gus," Will, "Vern," "Tilly," and Jerry? Let's carry on next year with the same excellent effort you put forth in '54-'55. Wasn't it inspirational to hear those original yells in the background by Jane, Patty, and "Cinny," the "sophs" selected by the student body as Cheerleaders?

About music, Diary, trust in us! Each Monday, Wednesday, and Friday "Tilly," John, "Vern," "Neumie," Marlene, "Nellie," Allen, Dale, "Gus," Bill, and "Vinck" are seen bustling away on their excursion to the gym, where they display their true "musicianship."

Although we appreciate the values of all extra-curricular activities, we realize the great importance of our subjects in the field of education. As one of our classmates has stated, "Scholastic training is the stepping stone to one's desired goals."

Homecoming, hand in hand with the Viking Carnival, gives a true evaluation of what the class of '57 were capable of achieving. Brief notes: We wisely chose our attendants, Marilyn Fickling and Ronnie Lange, for Homecoming; Charlotte Ijams and Claire Hagg for Viking Carnival.

Our class is indeed large. At our class meetings the attendance usually reaches forty-five. "Large," you may say! Yes, but it is a class which works toward a given project with unity. We possess a forward look toward the future tomorrows that we will face independently, for we are that kind of class!

Mr. Smith and Miss Maras, our sponsors, led the way to a successful year for us.

Freshman Class

During the last few months all of us have wondered at times how we have been able to stand up under the strain. Being a freshman isn't easy. But "our cup runneth over" with vigor and vitality; so we feel sure we shall all finish the year in fine shape. Figuratively speaking, of course!

For instance, the first day of school. Golly! It chills us just to think about it. Everyone knew we would make a few mistakes. One boy had a sudden yearning for Spanish when he should have been learning his numbers in Mr. Johnson's class. Mr. Johnson took care of that incident. Everyone had trouble locking and unlocking their lockers. "Locked" lockers, we mean.

Why do the seniors wait until two weeks after school starts to initiate us freshmen? Now we know! There are no freshmen who would wear their dads' P.J.'s and their mothers' dresses or starch their hair for complete "strangers."

But there is always the bright side, and the football season is one of them. Naturally the freshmen were out on the side-lines cheering. Boy, what voices! And the football season brings Homecoming with it! Every freshman was looking forward to having his toes stepped on, that evening. Know what we mean? Our candidates for King and Queen were Janis Humphrey and Carl Smith. Were we prejudiced or maybe just romantic, when we thought Carl and Janis looked like Cinderella and Prince Charming as they crossed the gym floor to take their places beside the royal throne?

In no time at all, there was the Viking Carnival. Getting ready for it is almost as much fun as the carnival itself. Perhaps our class didn't have the prettiest float, but we can "learn by experience." Mary Floyd and Joe Talbot were our class candidates for King and Queen. "The best things come in small packages."

After the carnival, basketball was in full swing. If you want pretty finger nails, don't go to our basketball games because they're likely to be pretty close ones. But then, who cares about pretty finger nails at a time like this? Our little Cinderella from Homecoming was elected class cheerleader for the freshman-sophomore team.

Oh, we mustn't forget the "Great F.F.A., Pest Hunt," in which our boys so nobly fought. They were rewarded with all the ice cream and cake they could eat. At a time like this, we girls have a sudden desire to be boys.

But maybe we girls are lucky in the long run, for we have an F.H.A. Slumber Party to which we look forward. Here there is plenty of pop corn and spooks. And then there is the F.H.A. all-school party! This year the theme is the Mardi Gras. In addition, there are the G.A.A. square dances we may attend if we wish.

Speaking of parties, we mustn't forget the Freshman-Sophomore Hop and the Spring concert. The latter is sponsored by the band and chorus, in which there are several freshman members.

We must confess, however, that we have all enjoyed being freshmen and regret seeing the year go by so fast.

Athletics

All lovers of sport will find in the next pages of our chronicle of days, a storehouse of memories in word and picture... our stalwart football men... our agile basket-ball teams... our energetic cheer-leaders... Jubilant victories... woe-ful defeats, all pervaded by our indominant school spirit!

SITTING: Jerry Vincent, Jerry Gustafson, Lester Sandberg, Terry Finnicum, Carl Smith, Joe Talbot, and Dick Maynard.

The first game of the grid season took place September 17 at Atkinson. We started the season "with a bang" by a 24-0 victory. The first time we got our hands on the ball, we marched for a touchdown, Will Moden going over from 8 yards out. The next scoring occurred in the third quarter when Bob Shieferdecker dashed 50 yards up the middle of the field for a touchdown. Later in the same period, Paul Moon punted to the two-yard line. Atkinson fumbled on the next play, and Shieferdecker pounced on the ball for another touchdown. In the fourth quarter, Jerry Cox intercepted an Atkinson pass and returned it to the 3 yard line. La-verne Moore powered over for the final touchdown. The Vikings were the only team in the conference to win their first game.

On September 24 we played Alwood at home, where we lost 25-6. In the first quarter, Jack Kenward scooped up a fumble by Captain John Brennan and eluded the Alwood team, running 40 yards for the touchdown. In this game we couldn't seem to halt the Aces' powerful running and passing attack.

October first marked the night of our first conference win. In a grueling, hard fought battle we defeated Atkinson again 14 to 12. Our first six points came when John Brennan sneaked across the goal line in the second quarter. In the fourth quarter, Bob Shieferdecker smashed over from 2 yards out for six additional points. Bob kicked both extra points for the winning margin.

The following Friday, October 8, we traveled to Reynolds, where we won 14-13 in a thriller. The scoreboard rang up 6 points when Shieferdecker went 20 yards for the touchdown in the second quarter. Minutes later, John Brennan sneaked over from two yards out for the touchdown. Shieferdecker again kicked the extra points for the win.

Friday, October 15, on a cold, rainy night we played the highly acclaimed Orion Chargers. We held and outplayed them for 3 quarters, but in the fourth quarter, they made two quick touchdowns. Despite their high scoring record, the final score

was 12-0.

Our next journey was to Winola on October 22, where we won 8 to 6. In the first quarter, Moden scored on a six-yard plunge. In the fourth quarter, Winola tied the score on an 80 yard punt return. Then we put together a drive that carried to the one-yard line. There, Winola took over on downs. On the next play, Pete Larson broke through and tackled a Winola back in the end zone for two points with only 40 seconds remaining. In this game we could go anywhere except across the goal line. We made 18 first downs to Winola's six, but we could not get across the goal line.

The season ended October 29 with our homecoming game. We played Sherrard and won 21 to 6 on a clear, cold night. This was the last game for eight seniors and one junior, Bill Adams. In the second quarter, Paul Moon caught another pass for a touchdown. Later Brennan went over for six additional points. Moon caught ten passes to highlight the game.

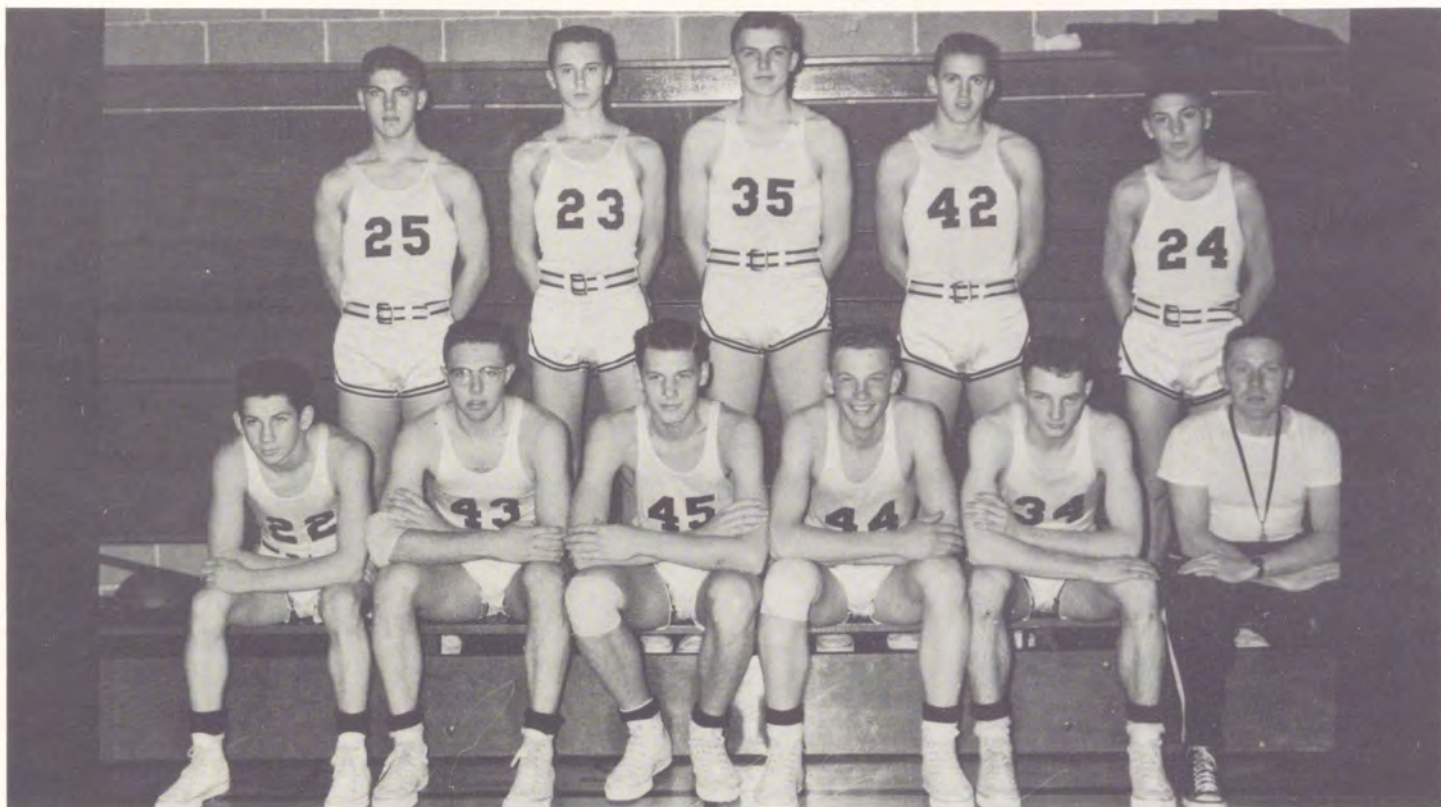

The Vikings finished the season with a six won, two lost record. We had a five and two conference record that proved good for third place. In the all-conference balloting, Bill Adams was placed at center, and the "Little Giant," Pete Larson, was unanimously voted the position of guard on the first team. John Brennan and Bob Shieferdecker were placed in the backfield on the second team. Although we were not rated too highly by many fans, we are reasonably satisfied with our season's record.

Basketball

The Varsity Basketball Team, from left to right are, FIRST ROW: John Brennan, Jack Kenward, Bob Gustafson, Paul Moon, Bob Schieferdecker, and Coach Albert Smith. SECOND ROW: Roger Echelberger, Tom Finnicum, Irwin Magerkurth, Will Moden, and Pete Larson.

With four returning lettermen, the Cambridge Vikings looked forward to a successful season. The lettermen were Captain Paul Moon, Bob Schieferdecker, John Brennan, and Jack Kenward, all seniors. The other boys on the squad were Roger Echelberger, Irwin Magerkurth, and Virgil Larson, seniors; Tom Finnicum, junior; and Bob Gustafson and Will Moden, sophomores.

We started the season off by winning our first six games. After dropping a close game to Orion, we came back and walloped Winola. Our next game was against Newman of Sterling in the Fulton Holiday Tournament, which we lost.

Then it was Cornbelt Tournament time and we were picked as the favorites. We defeated Atkinson, Sherrard, and Orion on our way to the title.

With a ten (10) and one (1) finish to the regular season schedule we were first in the Conference with a thirteen (13) and one (1) record. Paul Moon set a single game school scoring record by making forty-three (43) points against Galva in the season finale.

In the regional tournament at Galesburg, we were the fifth rated team. In the first game, we gained revenge for last year's defeat by beating Corpus Christi. The next night we pulled a minor upset by beating Abing-

don, third ranked team in the tournament. Against Galesburg in the finals the next night, we got off to a bad start and had a hard time to catch up with the Streaks. But in the fourth quarter we pulled within one point of them. However, having to stay out so late the two previous nights caught up with us, the Vikings and Galesburg got hot and pulled away from us.

This rang down the curtain on one of the most successful seasons in years. Our season record of twenty-two (22) wins, four (4) losses is a record of which we all can be very proud.

1954-1955 FRESHMAN-SOPHOMORE BASKETBALL TEAM-FROM LEFT TO RIGHT, SITTING: Ronnie Lange, Jerry Gustafson, and Terry Finnicum. SECOND ROW: Jim Westerlund, John Phillips, Claire Hagg, Bill Werbach, Wayne Hagg, and Coach James Doyle. THIRD ROW: Lester Sandburg, Ronnie Vincent, Dick Maynard, Kenny Vinzant, and Roger Stephens.

Our Frosh-Soph team came out almost as well as the Varsity, by gaining a second place in the conference. The only team excelling them was Orion. Our team lost 5 out of 19 games; and these losses were to Orion, twice; Galva, once; Wethersfield, once; and Geneseo, once. Our underclassmen were rather short as to height; but their ball handling and alertness gave them an advantage over taller teams. In a few games, had our boys made one less foul, they would have won, since they lost by only 1 or 2 points. They were defeated by Galva by a very small margin; and the Geneseo and Wethersfield games were also close.

Bill Werbach took the prize for the most points scored this season in Frosh-Soph play.

Our two hard-working managers, Jim Hagg and Don Sheesley, clean up after a basketball game.

'54 Track

Our Vikings gained a fourth place in the conference meet with Orion, Winola, and Alwood on top of them. Jack Johnson helped greatly in winning this place. He ran the 100 yard dash, the 220 yard dash and the 440 yard run in almost all the track meets. He won first place in almost everything he did. He went to the district meet in Rock Island and tied for first in the 440 yard run. He then went to the state meet, but the competition was too rough and he couldn't win a place. The relay team won a fourth place in the district meet. This team consisted of Bob Schieferdecker, Jack Johnson, Gene Willems, and Bill Stephens. At the Galva Relays, this team won a second.

Cheerleaders

Varsity Basketball Cheerleaders, LEFT TO RIGHT: Betty Noble, Barbara Mosher, Jeanine Sanquist, Jane Walsh.

Their job at the basketball games was not nearly so hard because of the larger crowd and the warmer surroundings.

Cheerleaders are an essential part of every school. Did you ever stop to think of how strange it would seem for a local high school to come to a game "without" cheerleaders? We also have a Fresh-Soph basketball team with its cheerleaders, who perform equally as well as the varsity girls. Everyone will give credit to Cynthia, Janis, and Pat Evans, along with the varsity girls for the excellent job they have done the past year.

Our cheerleaders worked hard this year to keep the ball rolling at our games. It is not easy to get much response from a handful of fans, no matter how loyal they are; but somehow our girls made the most of it. "Practice Makes Perfect" it is said, and Barb, Jeanine, Betty and Jane worked hard to make their routine as close to perfect as possible. Even out in the freezing weather at football games, they kept plugging away.

Organizations

As you leaf through our now beginning-to-be-crowded record of school life, perhaps your eyes will linger longer on the pages that follow ... Why? Because they concern all the things we do outside of regular classes...they will explain, in part, why we think school is becoming ever more like life in the world outside.

Student Council

A scene from the Student Council sponsored Homecoming celebration.

Thursday, December 2... regular Student Council meeting... much business... talk about the two flags recently purchased by students. Near the scoreboard in our gym where they hang, the flags look colorful and decorative. But our flags, our country's and our school's, have more than eye-appeal, don't they? When we look at them, we are prouder than ever, and ever more grateful that we are part of a school system that strives for democracy and the preservation of our way of life.

Teen-agers are sentimental, but they can be practical, too. If you adults doubt the truth of this statement, you should

have seen us when we discussed our current project, the Viking Manual. It's a hard job compiling and getting it printed. But our Council has a co-operative student body with whom we work.

Won't such a manual be a real help to all of us, especially the freshmen, who must find it puzzling at first to get acquainted with our rules, courses of study, teachers, organizations, cheers, songs, etc.?

The delegates to the convention in Quincy gave a report on the discussion groups they had attended and all the new ideas they had acquired that might improve our local Council. And what made them proudest of all was the fact that our group is one of the best in the state.

Did you know that the Student Council earlier in the year is in charge of all the plans for our annual Homecoming? And that still another ambitious and rewarding project is our yearly work-day, the proceeds of which are given by the students to some worth while cause in our school.

All this, and more, our Student Council does for us! Even an ordinary meeting, like the one just described reveals the wide scope of our activities.

Viking Staff

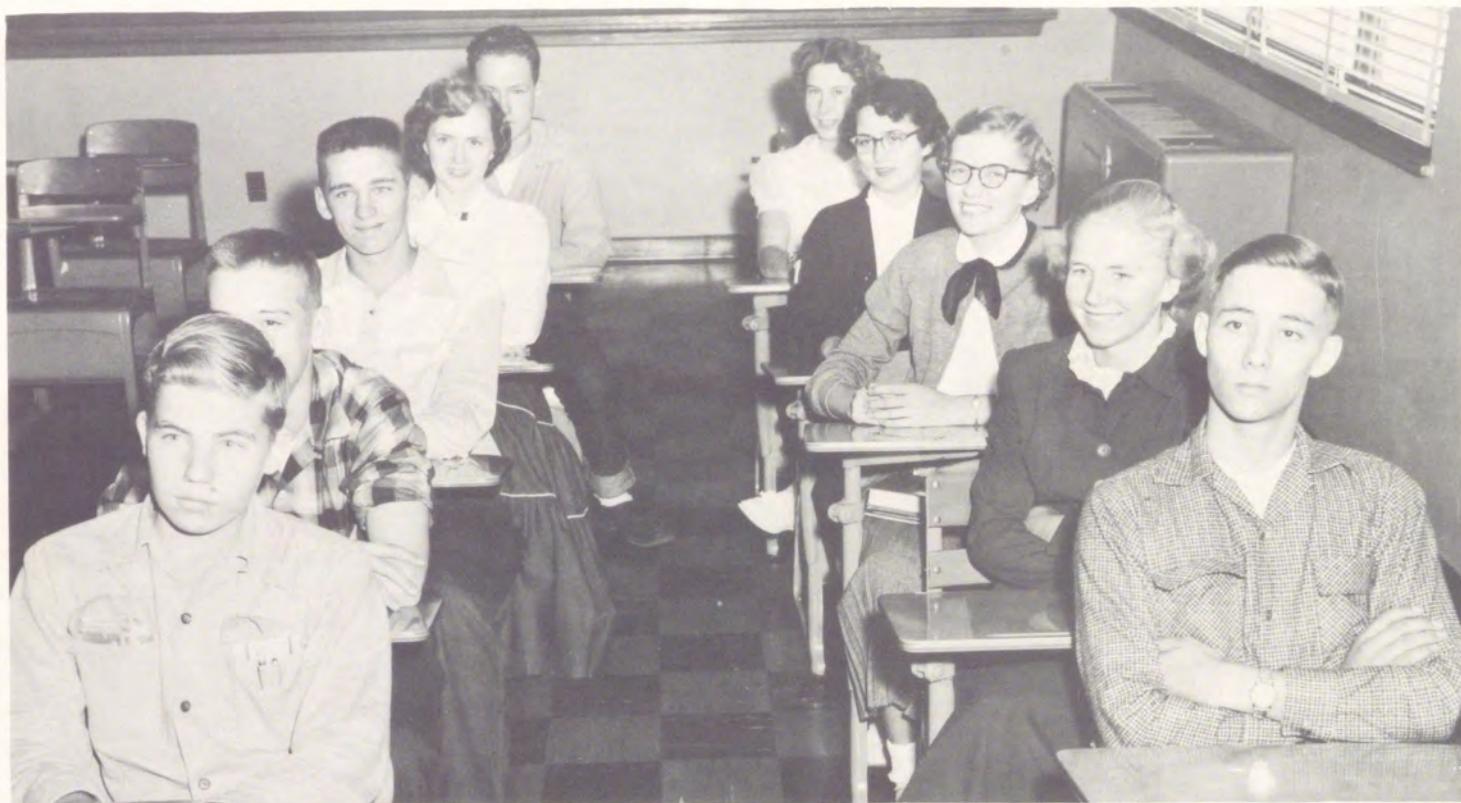

Busily at work writing and preparing this annual is the Viking Staff. Miss Elisabeth Westerlund sponsors the Staff and serves as proofreader. Much work is expended by the students in making this yearbook. The special events, classes, and organizations must be written up; and many pictures of school life are needed. The editor, Jack Kenward, must assume most of the work connected with it. He has to plan and lay out each page before the printing can be done. Also his is a large responsibility. But the jobs are

fun, and besides, this sort of work provides a different type of experience for the staff members. Encouraged by the high rating given last year's book by the National Scholastic Press Association, everyone on the staff is working to make this book even better.

Proceeds from the Carnival are used to finance the Viking. The staff sponsors the Carnival, and the close co-operation of the entire school is needed to make it each year as successful a venture as it has been in the past.

Band

The officers of the band are, LEFT TO RIGHT, FIRST ROW: Carol Hickman, Librarian; Marilyn Robinson; Mr. Anthony, Director; Chris Ijams; and Suzanne Vinckel, Uniform Custodian. SECOND ROW: Jerry Gustafson, Frosh. Representative; Oscar Carlson, Junior Representative; Bill Werbach, Boys' Uniform Custodian; Bob Tellen, Soph. Representative; Stanley Nelson, Vice-President; Jack Kenward, President; and Larry Kenward, Grade School Representative.

The Cambridge High School Band is directed by Mr. Eugene Anthony. Its many activities include marching during halftime at all home football games. During these exhibitions, several new and interesting formations are executed. The climax to the marching season came at Western Illinois State College at Macomb. There, our band marched with about thirty other bands in the huge Homecoming parade and later played in the massed band concert.

Later, the band collaborated with the chorus to produce the fine Christmas and spring concerts. Meanwhile members have been practicing the selections to be played at the District Band Contest at Knoxville, Illinois. The final event for the band is the Band Festival held every year at Orion.

To assist Mr. Anthony, the band elects a president, vice-president, secretary-treasurer, a representative from each class in band, and a librarian to take care of music. Uniform custodians are also appointed. Their job is to take out and put away all the uniforms whenever there is a concert.

The band is a live organization and one that during the year adds spirit and color to our school activities.

F. F. A.

The Cambridge F. F. A. Chapter, under the sponsorship of Mr. Alan Utech, is an active organization. One of the most important activities of the current year was the Father and Son Banquet. The guest speaker was the Reverend John H. Clarke of the Cambridge Methodist Church, who gave an entertaining talk on farming on the Isle of Man, supplemented with slide films.

During the summer months, the boys can devote more time to their "Ag" projects. Much of this time in late summer was spent in preparing animals for showing at the F. F. A. or Henry County Fair. Most of the entries from the Cambridge Chapter were either swine or beef cattle.

This past fall, a corn picker safety campaign was held for the first time. It included distributing safety pamphlets to farmers in the community; a meeting to which local farmers were invited and where a movie on the subject was shown; setting up a display in a downtown window, and writing articles for local papers.

In October, a Cambridge F. F. A. team entered Section Three F. F. A. Competition Judging Contest held at Geneseo. At this contest, the Cambridge team, which won fifth place, was competing with teams representing Rock Island, Bureau, and Henry counties.

The annual Pest Eradication Contest began in December. The chapter was divided into four teams for their work and at the conclusion, the three losing teams treated the winning team.

Every spring, the F. F. A. sponsors a Sweetheart Party. At this all-school affair, the chapter sweetheart, chosen from the F. H. A. girls, is crowned.

An excellent fund-raising project is the sale of popcorn at all home football and basketball games. The chapter is fortunate in owning its own machine for this purpose.

All in all, the Future Farmers of America have had a most successful year!

F. F. A. OFFICERS, LEFT TO RIGHT: Mr. Utech, Advisor; Irwin Magerkurth, Reporter; Virgil Larson, Vice-President; Stanley Nelson, President; Tom Beuseling, Sentinel; Oscar Carlson, Secretary; Willis Bredberg, Treasurer.

F.H.A.

A busy and helpful organization that many know little about is the F. H. A. It is divided into freshmen-sophomore and junior-senior sections with separate officers for each section. Charlotte Ijams is president of the freshmen-sophomores, and Karen Charlet is president of the junior-seniors.

The F. H. A. pursues many varied activities, one of the first of which was the F. H. A. and F. F. A. Parent Night. On the program, the freshman-sophomore girls sang. A travel talk followed this.

The F. H. A. came to the aid of a needy family by making Christmas gifts for the children in the family. Keeping the Christmas, the F. H. A. and the F. F. A. went caroling on the night of December 21. After the caroling, the F. H. A. girls served refreshments. On May 2, the F. H. A. was held at Cambridge. The section officers were chosen at this rally.

In February, everyone in F. H. A. waits anxiously to see what F. H. A. girl is crowned Sweetheart at the F. F. A. Sweetheart Ball. Miss Mae Miller is the sponsor of this very active organization.

The girls packed boxes of presents for needy children.

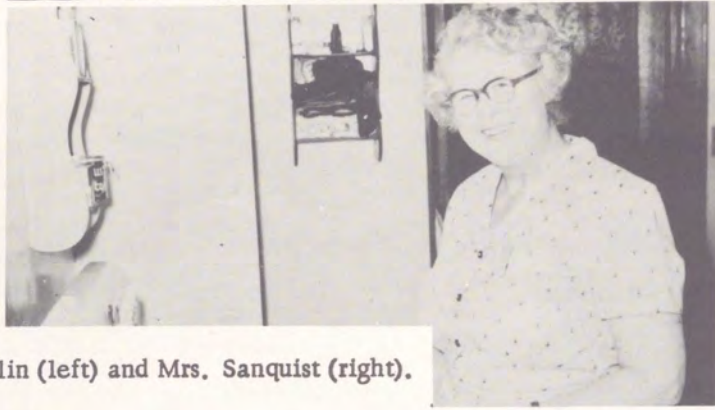

Some of the freshmen sample their handwork.

Last spring, the F.H.A. gave a program for incoming members.

P C B Science Club

Senior Science Club Officers are, LEFT TO RIGHT: Marilyn Robinson, Sec. -Treas.; Donna Smith, Vice-Pres.; Jim Lewis, Lab. -Ass't.; Karen Charlet, Ass't. Sec. -Treas., and Donny Sheesley, Pres. SITTING, is Mr. Young, the sponsor.

Have you ever wondered how the Senior Science Club came to adopt a name like P. C. B.'s? The answer is simple. Those three letters stand for Physics, Chemistry, and Biology. The members are active in promoting and learning more facts about science. They carry on varied projects during the year, the best of which are exhibited at the annual district science contest.

With their sponsor, Mr. Jack Young, and Mrs. Young, who acts as girls' chaperon, the members take their annual three-day trip to Chicago during Easter vacation. This is the highlight of the year and is looked forward to and planned months in advance. On the trip,

via the Burlington Zephyr, the group visits many interesting places. Some of them include: The Museum of Science and Industry, the Field Museum, Shedd Aquarium, The Planetarium, Chicago Research Hospital, various factories, The Chicago Tribune Building, Merchandise Mart, famous plays, interesting restaurants, and many other places equally fascinating to the lover of science.

Members are, LEFT TO RIGHT, SITTING: Jim Hagg, Karen Charlet, Vera Nimrick, Donna Smith, Jeanine Sanquist, Sandra Anderson, and Barbara Mosher. STANDING: Donny Sheesley, Jim Lewis, Tom Finnicum, Jack Kenward, Stanley Nelson, Bon Schieferdecker, Jerry Cox and Mr. Young.

Wizard's Science Club

Officers of Wizards Science Club are, LEFT TO RIGHT: Donny Sheesley, Advisor; Vernon Young, Lab Assistant; Mr. Young, Sponsor; Dale Conrad, President; Ronnie Lange, Vice-President; Bob Telleen, Advisor; and Dick Maynard, Secretary-Treasurer.

P.C.B. Science Club member, Jim Hagg, is shown working on his aquarium, which is his science club project.

Another P.C.B. Science Club member, Jack Kenward is shown working on some negatives in his darkroom.

The Wizards Science Club is the junior of the two science clubs in our school. By no means less important, it is comprised of freshmen and sophomores. It was organized three years ago as a club for freshmen who wished at some later time to join the Senior Science Club. During the last year the membership has included sophomores also, since the Senior Science Club has limited its membership to juniors and seniors. Bi-monthly meetings are held, at which business is taken care of and talks on projects are given.

The "treat" of the year and the event everyone anticipates is the one day trip taken in late winter. Some of the places visited last year were Moline Airport, Moline Waterworks, Rock Island Arsenal, W. O. C. Television Studio, Rock Island State Police Headquarters, and Gamble's Observatory. This year an even better outing is planned.

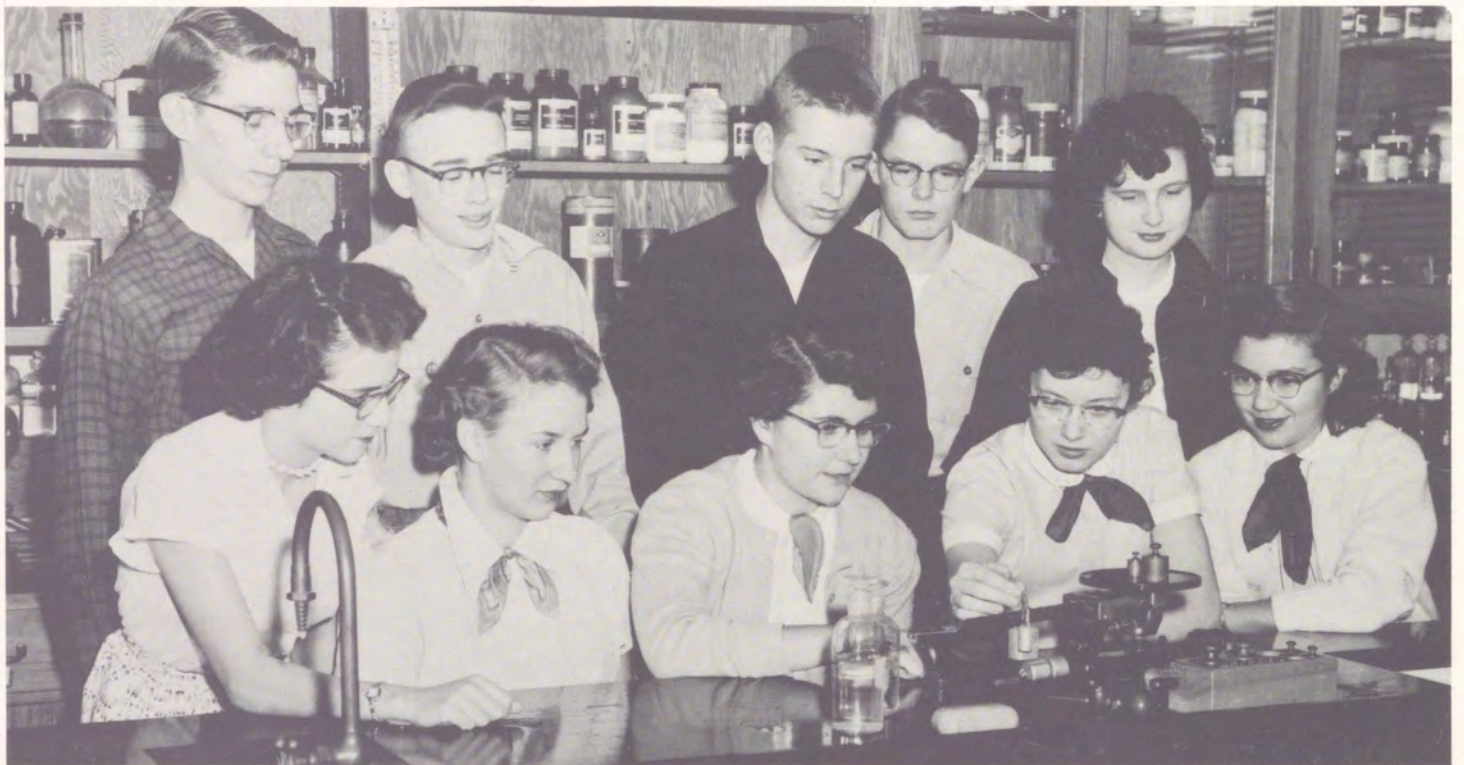

The P.C.B. Science Club meets, with President Donny Sheesley Presiding.

The Officers and Mr. Page talk over plans for the Christmas Party. Standing: Barbara Mosher, Jeanine Sanquist, Jack Down. Seated: Mr. Page, Bonnie Wiley.

One of the most important organizations in our school is the National Honor Society. It consists of outstanding members of our student body, who earn and retain a minimum scholastic average of 88. The members must not only be academic leaders, but they must be prominent in leadership, service, and character.

Annually, the society sponsors a Christmas exchange, where the attractively decorated gym, the refreshments, and the mistletoe all help to make this party a merry and informal occasion for everyone.

Projection Club

LEFT TO RIGHT, FIRST ROW: Jack Kenward, Jim Hagg, Mr. Young, Bonnie Wiley, Joe Talbot, Lester Sandberg, Frances Nelson, and Virgil Dunn. SECOND ROW: Tom Hunter, Don Sheesley, Stanley Nelson, Donna Smith, Tom Finnicum, Sandra Anderson, Vernon Young, Suzanne Vinkel, Dale Conrad, Carl Smith, Jerry Cox, Bob Schiefer-decker, and Jim Lewis.

Freshmen. . . . Do you want to learn to run projection machines? Like to learn about the new oscilloscope? Yes? Then you should join the Projection Club. At first you will be an apprentice. In this capacity, your job will be to become familiar with the machines. You will invariably exclaim that you won't be able to remember everything. But if you don't give up, you will soon be proficient in operating the projectors, tape recorders, and all the other machines that are parts of the audio-visual aid program. It won't be long before you will rise to the rank of pre-expert. A pre-expert will have more interest in the new machines and advanced techniques. He will help a teacher by running a movie projector for the class. After completing this stage of his work, the pre-expert will become an expert. An expert is eligible to become an officer of the club. The present "Chief" is Jack Kenward; Jim Lewis is "Assistant Chief." There is also a sizable list of apprentices, pre-experts, and experts to assist the teachers and the school. At intervals during the year, meetings are held at which new techniques and machines are discussed. Mr. Jack Young is the sponsor of this very worth-while club.

Boys' Chorus

THE BOYS' CHORUS, FROM LEFT TO RIGHT, FIRST ROW: Tom Hunter, Dick Maynard, Jack Down, Terry Finnicum, John Brennan, Tom Wiley, Vernon Young, Roger Stephens, and Dale Conrad. SECOND ROW: Bob Telleen, John Phillips, Jim Lewis, Bill Werbach, Allen Jehling, Ronnie Lange, Stanley Nelson, and Roger Echelberger. Absent when picture was taken are Jim Hagg, Tom Finnicum, Carl Smith.

The boys in a practice session.

The Boys' Chorus is composed of all the boys in the high school who wish to belong. Under the direction of Mr. Eugene Anthony, they practice for the four major times they appear in public. Although the boys practice diligently, there is usually something on the lighter side going on in class. In spite of a little frivolity, however, the boys seem to learn a great deal, as evidenced by the fact that their chorus won a superior rating at the district contest and a second rating at the state contest last year. They are hoping to make it a repeat performance this year.

Girls' Chorus

Junior-Senior Girls' Chorus. FROM LEFT TO RIGHT, FIRST ROW: Joyce Riley, Betty Noble, Pat Hoyt, Pat Hunter, June Peterson, Mary Buskirk, Bonny Wiley, and Vera Nimrick. SECOND ROW: Eileen Robinson, Carole Hickman, Karen Charlet, Barbara Mosher, Jeanine Sanquist, Marilyn De Kezel, Jean Lundell, Sherry Wickbloom, and Marilyn De Clerq. THIRD ROW: Donna Smith, Laura Kapple, Marilyn Robinson, Sandra Anderson, Chris Ijams, Barbara Arnstedt, Barbara Searle, and Louella Sterling, STANDING: in the bottom, right hand corner is Mr. Eugene Anthony, the Director.

The Girls Chorus is divided into two sections, the first being freshmen and sophomores; the second, juniors and seniors. This disparity in size of classes is due to the larger number of girls belonging to the Girls Chorus than the Boys Chorus. Also under the direction of Mr. Anthony, the girls practice for their four public appearances. The first one of the year is the Christmas program. This is given by the combined choruses and the band. Quite a production number, too, with elaborate stage settings and colorful pantomime included. During the winter months, the practicing gets more frequent, for they must work on three

concerts at once. The Cornbelt Conference Chorus Festival, the district contest, and our own Spring Concert come very close together. Luckily several of the numbers can be used more than once. The girls, too, practice very hard and are hoping to get a good rating at the contest this year.

Freshmen-Sophomore Girls Chorus. FROM LEFT TO RIGHT, FIRST ROW: Mr. Eugene Anthony, Director, Alice Maertens, Patty Wiley, Ann Bertleson, Virginia Searle, Marlene Stach, Evyonne Dickey, Connie Johnson, Pat Calsyn, Barbara Bratsh, Carol Pemberton, and Judy Davis. SECOND ROW: Pat Kaiser, Nina Riley, Janis Humphrey, Sharon Simkins, Pat Evans, Marlene Munson, Drusilla Metz, Janet Neumann, Joyce Grant, Mary Floyd, Wilda Anderson, Marilyn Fickling. THIRD ROW: Betty Kay Johnson, Joyce Moore, Sylvia Willard, Carolyn Good, Sandra Simkins, Suzanne Vinckel, Cynthia Wongstrom, Joyce Nelson, Karen Broshar, Jane Walsh and Charlotte Ijams.

Varsity Club

Mr. Smith with secretary-treasurer - Paul Moon, president - Pete Larson, and vice president - Roger Echelberger.

Have you won a major letter in any sport? If so, you are a member of the Varsity Club. Training rules and the qualifications a boy has to meet to get a major letter are set up by this club. There are no regular meetings and no dues. Mr. Smith is the sponsor of this group. This year the club has adopted a pin, which is proudly worn by a major letter winner.

A steak or fish fry is held at the end of the school year to which members and their guests are invited.

Maroon and White

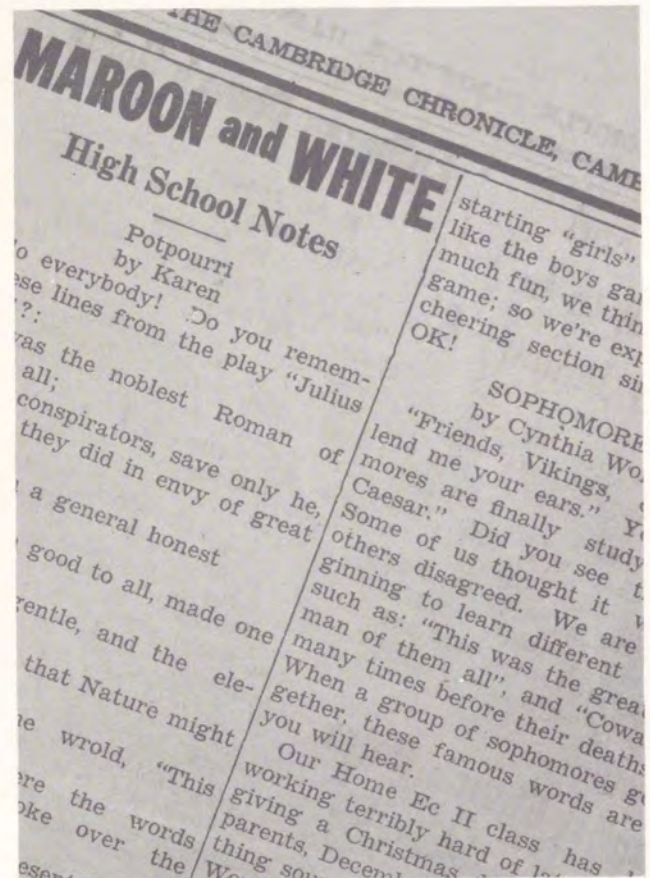

Miss Westerlund goes over techniques with Bonnie Wiley, Karen Broshar, Cynthia Wongstrom, Joanne Peterson, and Vera Nimrick.

Want to know the latest gossip...
...or our current fads...or even a bit
of wholesome teen-age philosophy?

Then "Potpourri," a lively little column printed in our local newspaper, the Chronicle, is your best authority. This piece of writing, which means "a little bit of everything," is assigned to some student who loves to write. It has been a feature of Maroon and White for almost seven years. Karen Broshar is the present "columnist," and we all agree that she is carrying on successfully our tradition of sprightly and original writing.

Since we have no official school newspaper, we inform the general public of our activities here at school through the news of each class. Four able reporters, Joanne Peterson, Cynthia Wongstrom, Vera Nimrick, and Bonnie Wiley, faithfully bring their copy to Miss Westerlund every other week for proof-reading.

✓ We have been told that our parents often turn to the page of school news. "What a number of things our children do!" is the invariable comment. "No wonder we don't see them very often."

G. A. A.

LEFT TO RIGHT, KNEELING: Jeanine Sandquist, Barbara Mosher, Sandra Anderson, and Carolyn Good. SEATED: Marilyn Fickling, Charlotte Ijams, Karen Charlet, Chris Ijams, Cynthia Wongstrom, Joyce Nelson, and Janet Neuman. STANDING: Miss Peterson, Marilyn DeClercq, Pat Eavans, Drusilla Metz, Marlene Munson, Joyce Moore, Suzanne Vinckel, Virginia Searle, Karen Broshar, Jane Walsh, and Sandra Simkins.

The Girls Athletic Association is an active group ... always doing something. The goals of this club are summed up very well in their constitution:

"The purpose of the G. A. A. of Cambridge High School is the promotion of health and sportsmanship. To promote these ideals, we encourage proficiency and understanding of several sports rather than one; interest in athletics; healthful and clean living; proper social conduct."

When the girls say "several sports," they really mean several. Archery, basketball, badminton, bowling, and softball are some of the numerous sports they find time for during the year. Other activities carried out are folk dancing, stunts, tumbling, and leadership class.

Archery is the newest activity this year. Miss Peterson, with the aid of several girls, set up a fine range behind the football bowl. The girls really went for it... produced some good bowmen, too.

Cambridge girls enter into state meets and have won recognition there. They had entrants in basketball, archery, and bowling.

Recognition is gained through the point system. The girls get a certain number of points for each time they attend a session, whatever the current sport may be. Also each summer two delegates are sent to the Northern Area Leadership Training Camp at Lake Geneva, Wisconsin, where they enjoy many unusual opportunities to make friends and acquire new ideas.

The girls in G. A. A. are really active; in fact they show the boys that they aren't the only athletes around school.

Miss Peterson and the officers show some of the activities of the G. A. A. The officers are Joyce Nelson, point chairman; Karen Charlet, vice-president; Chris Ijams, president; Marilyn Fickling, booster chairman; Charlotte Ijams, point recorder; Cynthia Wongstrom, secretary-treasurer; and Janet Neumann, song leader.

All of these, and so many
more Red Letter Days fill the
pages of our school life.

Sometimes it is a little crowd-
ed... But we wouldn't part with a
single one of our activities...

Homecoming

The cheerleaders go through their paces during part of the snake dance uptown.

Some of the action during the Home-coming game.

Here is the skit that the Student Council put on at the pep session.

Dear Diary....

What a week this has been! It all started on Saturday, October 23, when the classes decorated the uptown windows. Then on Thursday, October 28, amid drizzle, smoke, music and cheering came the pep session on the high school campus. Smoke came from the bonfire around which there were talks from Coach Smith, Captain John Brennan, Vernon Anderson, a former alumnus, and Mr. Page, our superintendent. There was a skit by the Student Council that really had us laughing. The pep band was on hand, of course, to play school songs as we sang and the warmth and light of the bonfire disappeared. Immediately after the rally, we took over our town in the annual snake dance around the business section.

On Friday night, October 29, in very cold weather, the Cambridge Vikings whipped the Sherrard Tigers, 21 to 6 at the Homecoming game. After the game, formal ceremonies were held in the gym. Karen Broshar welcomed the alumni, with Helen Cordrey responding. Then Coach Smith presented the senior football players. As prizes, three boxes of candy were given away. One went to Janet Hutchinson as the alumnus traveling the shortest distance, one to Carolyn Moody, the alumnus traveling the longest distance, and one to Earl Metz, member of the earliest (1916) graduating class present. Gus Willems' band played for the dance, which was attended by a record crowd.

Marilyn Robinson and Paul Moon were crowned King and Queen of the homecoming. The other members of the royal court, representing each class were Carl Smith and Janice Humphrey, freshmen; Ron Lange and Marilyn Fickling, sophomores; Jack Down and Louella Sterling, juniors; and Roger Echelberger and Donna Smith, seniors. It was all so impressive and thrilling!

And away we go with the snake dance through the business district.

Carnival

Red Letter Days. November 10 and 13

Viking Parade and Carnival!

Carnival took weeks of planning. If it hadn't been for Mr. Young and his able assistants, Don Sheesley, Jim Lewis, and many willing students, we could never have made this annual benefit the financial success it is. Did you know that this year we realized well over \$800, all of which will be given to our fund for publishing the Viking?

You should have seen our band the night of November 10! A large crowd gathered on Main Street to watch our drum-majorettes strutting ahead of the rest. Our uniforms, too, are so handsome; and the band played lustily, in spite of the fact that it was a cold, cold evening.

The parade that followed the band was a miniature Rose Bowl affair.

Each class must have worked hours on designing a float that would win high honors. King and Queen candidates sat regally on top of each float.

The juniors were repaid for buying 25 boxes of Kleenex for their "Tunnel of Love." They won first prize! Instead of buying Kleenex, the sophomores used cardboard boxes to advertise the carnival. This won for them 100 votes for their candidates, and their float also won a prize because it best advertised the Carnival.

All day Thursday, Friday, and Saturday the students worked at top speed. On Saturday night at 7:00 P.M. the doors of the Community Hall opened. You should have seen it! So many things were happening at once! It was like a three-ring circus. Every type of stand imaginable had been set up.

The Country Store, (Ooh! those delicious looking baked goods, and so many of us on diets), fish pond, Harvey and Herb, penny pitching, clown corner, coke-knock-down, raffle, (there were a turkey for Thanksgiving dinner and a wool blanket for a Christmas present), coke setup, darts, candy, (homemade-um-um), popcorn and movies.

There was even a miniature circus at this carnival! Bob Parkinson of our town generously allowed us to display his hobby. Everyone enjoyed it as much as its original counterpart, John Robbins Circus. There was the big top with all the features of a real circus. You should have seen the splendid handicraft work on the tiny chairs. And all the wagons and side shows! It was marvelous!

What carnival would be complete without a food stand? Ours sold sizzling hot dogs and barbecues, pop, candy, and other snacks.

Nobody seemed able to resist those luscious cakes on the Cake Walk. Janet Neumann, the chairman, decided to have a double-ring this year. That gal used her head! Most of the time, both rings were crowded with expectant cake-eaters.

Since this was a special carnival, a program based on a "Toy Shop" theme, under the direction of Miss Ollis, was presented. It was hilarious! James Johnson was a perfect jack-in-the-box. And that red-suited character was Joe Talbot. There was even a chorus line: Cynthia Wongstrom, Janet Neumann, Marilyn Fickling, Sandra Simkins, Carolyn Good, Joyce Nelson, Joyce Grant, and Virginia Searle. Almost as good as the Rockettes they were!

Christine Ijams and Donna Smith did a thumb ballet to the tune of thumalina.

After the program was over, the Queen Booth was opened so that the crowd could vote for their favorite candidates.

At 11:00 P. M. came the grand finale, the crowning of the King and Queen! The candidates were: Seniors, June Peterson, Virgil Larson; Juniors, Sherry Wickbloom, Stanley Nelson; Sophomores, Charlotte Ijams and Claire Hagg; Freshmen, Mary Floyd and Joseph Talbot.

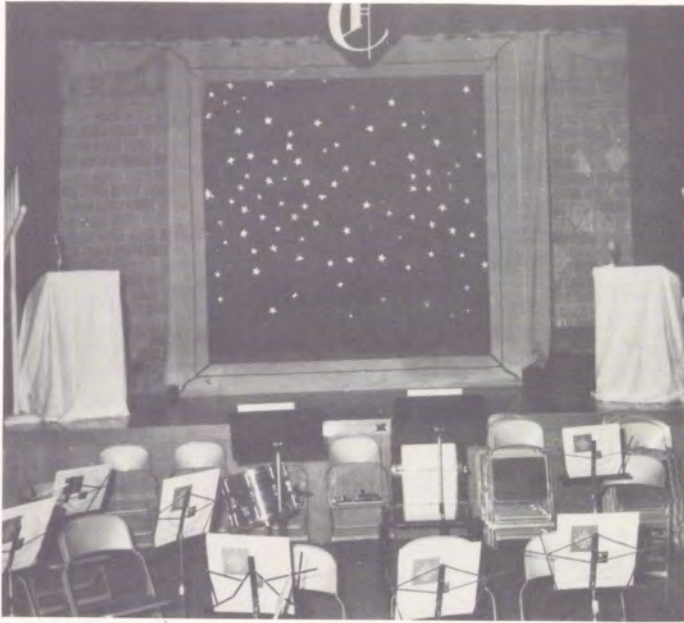

The suspense was almost unbearable! But finally the curtains parted to reveal last year's King and Queen, Eugene Lundberg and Janifer Engquist, smiling at the new royal couple. The Juniors went wild when Sherry and Stanley won!

With the flashing of cameras, breathless congratulations, and the usual noisy departure of the crowd, another Viking Carnival was over.

Marilyn Fickling, Sandra Simkins, Carolyn Good, Joyce Nelson, Joyce Grant, and Virginia Searle. Almost as good as the Rockettes they were! Marilyn DeKezel was a tap-dancer doll. You should have seen her in those twirls! What toy shop would be complete without a majorette doll and accordionist? Sylvia Willard, one of our own majorettes, was the majorette doll, dressed in a blue and white costume and a pert little hat. The accordion-playing doll was Betty Noble. Betty, you know, recently appeared on the television program "Golden Opportunity."

When you think of a toy shop, you are also reminded of wooden soldiers. Well, we had them! Tom Hunter, Dick Maynard, Dale Conrad, and Tom Finnicum... Dick had a double job as he was the toy shop-keeper. And to top things off, Ronnie Lang made an appearance as a space man!

Christmas Pageant

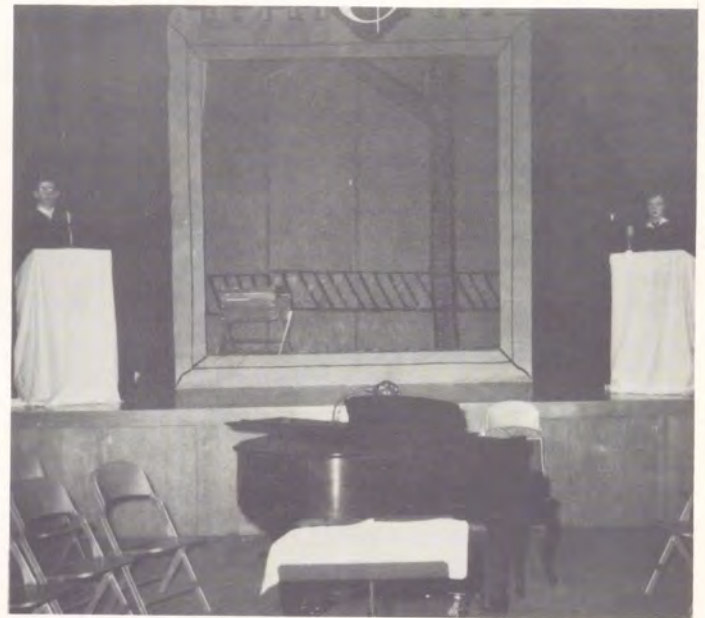

"Oops! Excuse me!" said one of the busy students as he accidentally smeared paint on his classmate's arm. Then he hurried off to class. Maybe you wonder what all the hurry is about and where "paint" comes into the picture? Well, that's what it is a picture! The painting is one of the scenes for our Christmas pageant, an annual event arranged by our music department.

Students worked many weeks before the performance practicing music, preparing scenes, and making costumes. Always there is a hubbub of excitement before the big night, and this event was no exception.

As the time drew near for the program to start, the gym filled with a noisy holiday crowd. But a hush swept over the room as the Cambridge High School Band marched

The final preparation were made..... in, followed by their director, Mr. Anthony. They contributed their part to the program by playing lively, seasonal tunes. Special numbers by girls' sextettes and trios were next presented. Finally came the part everyone had been waiting for. The Pageant! Readers were John Stevens and Carole Hickman. There were choral numbers performed by the boys' and girls' choruses between the scenes, all of which depicted artistic nativity scenes in and around Bethlehem. The impressive climax of the program came when the girls sang the "Lord's Prayer."

Miss Ollis and Miss Miller deserve our warm thanks for their capable arranging of scenes and in the securing and making of costumes for one of our most colorful and effective Christmas festivals.

The readers set the scene.....

The angel came.

The wisemen brought gifts.

"Peace on earth, goodwill toward men."

Mardi Gras

Some of the more colorful costumes at the Mardi Gras, as worn by Miss Miller, Cynthia Wongstrom, Bob Gustafson, Mrs. Dimick, and Mr. and Mrs. Utech.

Tonight, February twenty-fifth, 1955, occurred our first Mardi Gras Ball. Oh, no, it wasn't at New Orleans! Our own high school gym was the scene, and F.H.A., the sponsor, Everyone was there: Little Bo Peep, Robin Hood, Old King Cole, Queen of Spades, Queen of Hearts, Merry Widow, a Nineteenth Century couple, sailors, Red Riding Hood, Charleston dancers, Indians, Little Boy Blue, Mary and her little lamb, - a real one, mind you; hoboes, and even some rough, tough cowboys and girls.

Each person was given a Fairy Book Dance Program, after which confusion reigned while everyone asked his favorite prince or princess for the "honor."

A few dances later came the Grand March! It was then that the judges went to work. Mr. Johnson vigorously put us through our paces, thus prolonging the review; for the judges had a difficult time making their decision. In the finals, Joyce Nelson was chosen as having the funniest costume; Suzanne Vinckel, the most original; Karen Charlet, the prettiest; Jim Lewis, the best characterization; Charlotte Ijams and Bob Telleen, the best all-round couple.

Toward the end of the evening, everyone gathered around the pinata, a paper doll balloon suspended from the ceiling. Certain programs were numbered. The people holding these numbers were blindfolded, turned

around, and given a stick with which to break the pinata. This feat accomplished, directly a shower of confetti, balloons, and candy kisses fell to the floor. A mad scramble ensued with everyone breaking balloons, tossing confetti, and laughing.

Last farewells to a wonderful evening were said to the strains of the "Sleeping Beauty" dance.

Karen, Cynthia, and friend.

"You twist it to the right and you twist it to the left."
