# A BUSY CALENDAR GREET'S STUDENTS

During a practice workout, the football players push the blocking sled in one of their many drills.

On August 3, 1961, the doors of C.H.S. were opened once again. One hundred eighty students began to fill the corridors with their talk of coming events. Six new teachers, Miss Donley, Mr. Canavit, Mr. Guthrie, Mr. Birkett, Mr. Burrus, and Mr. Truckenbrod were warmly welcomed. September brought many events to begin the year. The seniors were having class meetings to determine the fate of the "green" freshmen. On the evening of September 8, the freshmen presented a splendid variety show for their upperclass "masters." September was also an important month for the juniors who picked out the long awaited class rings on the

12th. "What size should I get?" "What color?" "I can't make up my mind!" This was all that could be heard from the juniors that day. The band, under the direction of Mr. Burrus, made its debut on Friday, September 15, when the Vikings played Erie. As a finale for September, identification photos were taken once again. October brought a few long faces as report cards were passed out for the first time. October was climaxed by Homecoming elections to determine who were to become Homecoming King and Queen. The secret was well-kept until the crowning of senior candidates, Virginia Vincent and Donald Moore.

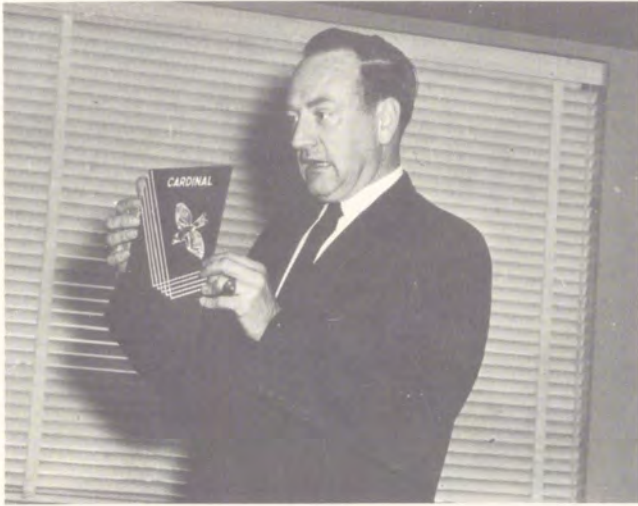

At the first assembly this year, Mr. Williams explained and demonstrated the many uses of liquid oxygen.

During a school assembly, Mr. Walters, a hypnotist, asks Bettine Gillespie questions about her fourth Christmas while she is in a hypnotic trance.

# AS THEY RETURN FOR YEAR OF STUDY

At a staff meeting, Mr. Gardner displays for approval one of the many covers available for the Viking annual.

Cupid keeps an eye on the dancers at the Sweetheart Ball.

National Education week was observed in November. Parents of all students were welcomed to C.H.S. During this week, Career Day was held at C.H.S. for the sophomores. Every available hand was called this week for the Viking Carnival was only a few days away . . . Saturday!!!! The sophomores, after weeks of struggle, reigned victorious. Thanksgiving vacation was looked forward to with much enthusiasm. Everyone could almost taste that nice juicy turkey that would be adorning their tables. A few dubious faces could be seen at C.H.S. on December 7--report cards were passed out. But this didn't last long for we won our first basketball game with Geneseo.

Everyone was really excited that night and cheered the team to victory. Christmas was in the air and in the high school auditorium as the Christmas concert opened the Yule season. The Christmas party on December 16 was an added attraction that ended the Christmas season with gifts and dancing. School resumed on January 2 with the Cornbelt Conference Tourney held at Alwood January 9. Then came that dreaded event of the year--semester exams. When the results were learned, however, they weren't as bad as were expected. The day after exams the FHA held a Teen Hop which helped relax everyone so they could forget about the tests.

# CHS STUDENTS SEEK WISDOM IN OR-

Giving office secretary Mrs. Gillespie some money, Mike Anderson purchases a bus ticket to the Orion basketball game.

February brought the annual Sweetheart-Heartthrob Ball which is sponsored by the FHA and FFA. Cupid kept his eyes open for any capers that might be going on. Gary Robinson and Marilyn Johnson reigned over the dance. Friday, February 23, was Parents' Night at our Atkinson home game. There were some very proud parents visiting C.H.S. that night. District Solo and Ensemble Contests were very successful this year with eight firsts in our favor. The students at C.H.S. were educated as to the many uses of liquid air when, at an assembly, Dave Williams demonstrated his skills in "handling air." Tumbling, dancing, and gymnastics were featured in the P.E. show. The Jr.-Sr. girls provided an

exciting end to the show by presenting Mitch Miller and his sing-along group. All during March, the juniors could be heard rehearsing lines for the class play in the halls, between classes, and in the lunch lines at noon. "Harvey" was presented by the Junior Class on Friday, April 13. I wonder if any of the Juniors are superstitious. If there were it didn't show up, because they put on a wonderful play to help sponsor the Prom. Because of all the snow and bad weather, there was only one day of Easter vacation, Good Friday. Although this weekend turned out a little rainy and wet, many Easter bonnets were worn under the umbrellas!

Mary Ann Gustafson pins a carnation on one of the many mothers who attended the Parent's Night basketball game.

A Major baseball player, George Toporcer, relates a few of his experiences to an interested group in the gym.

# GANIZATIONS, ACTIVITIES, AND SPORTS

Spring ushers in budding trees and baseball bats at Cambridge High as Coach Truckenbrod umpires a session of the great American pastime for the freshman P.E. class.

Two couples enjoy themselves at the Fresh.-Soph. Hop, April 27.

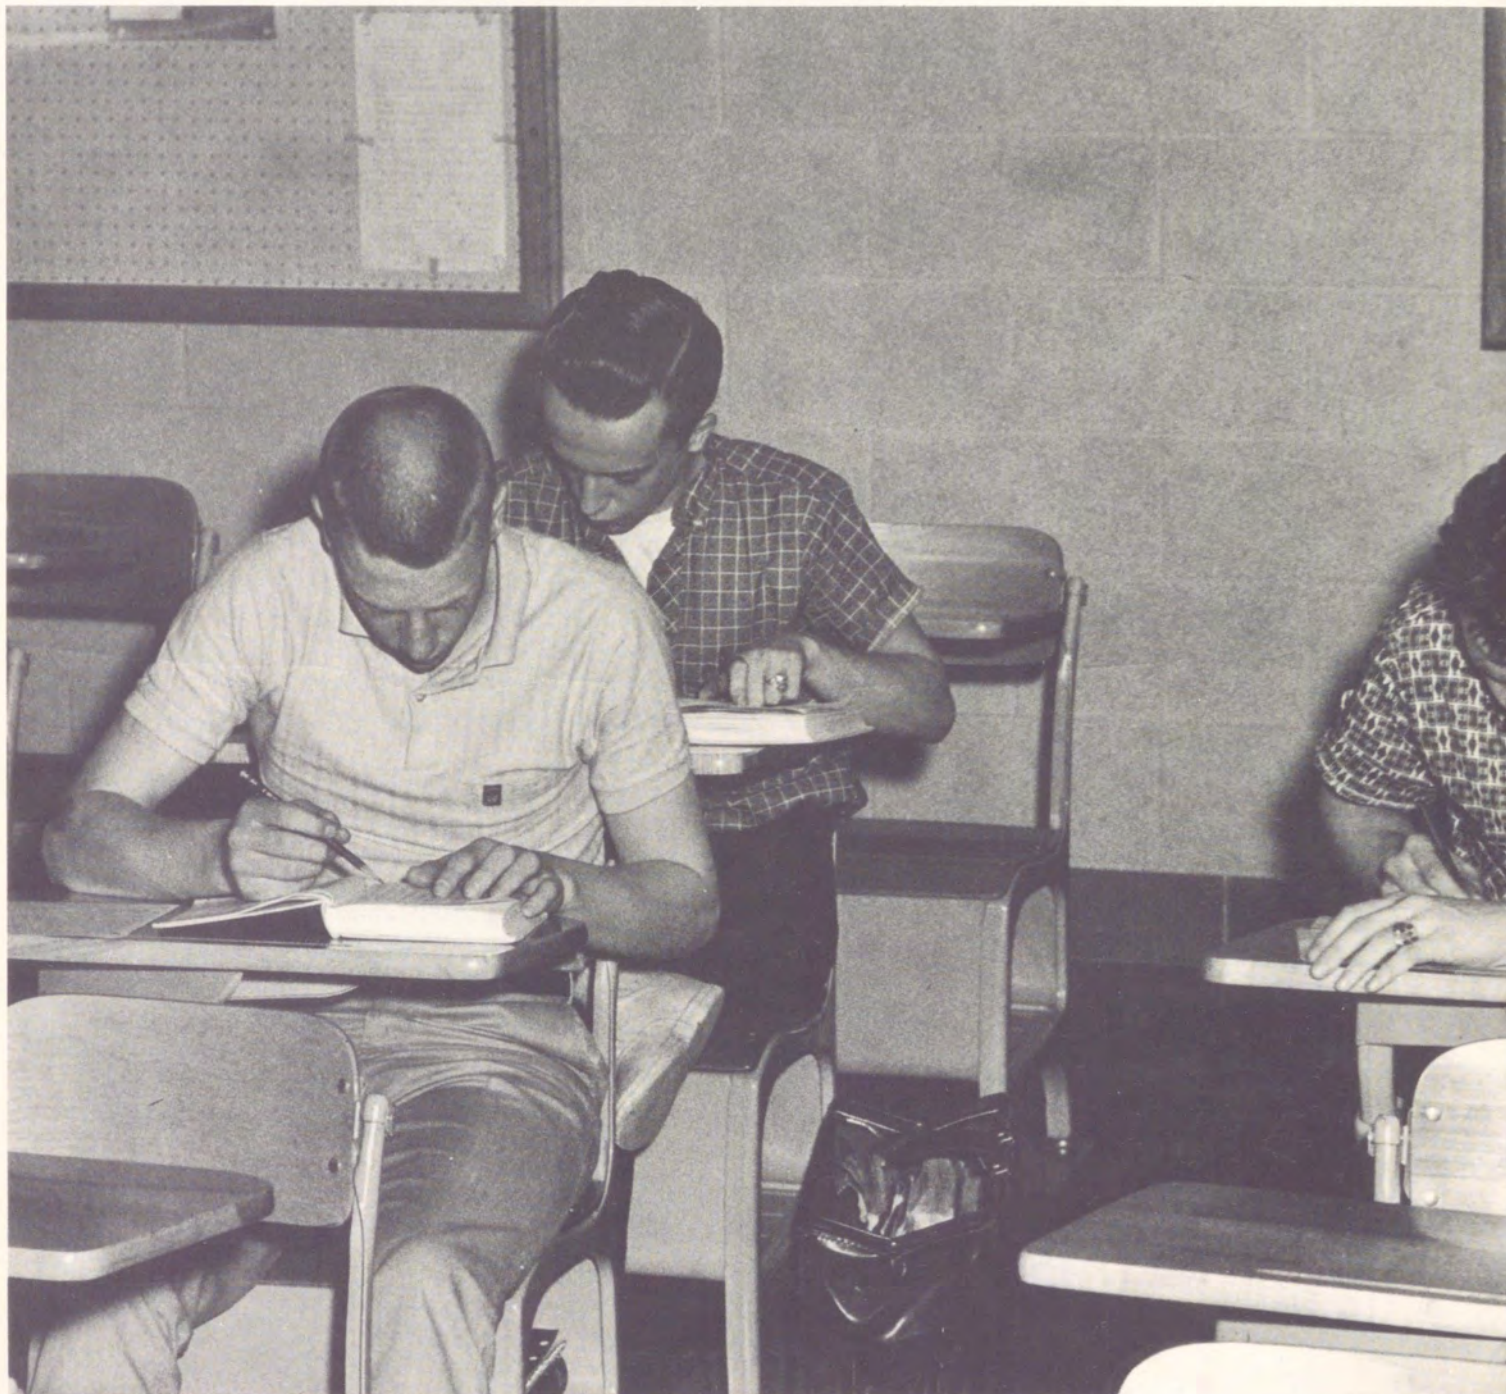

"Somewhere Over the Rainbow" was the theme for the hop this year. All the colors of the rainbow were used and everyone tried their luck at finding the "pot of gold." After state music finals, the winners returned to help put on a colorful spring concert. Cambridge played host to the Conference Track meet in which we placed in several events. Virginia Vincent was our track queen candidate. The Cornbelt Conference Chorus and Band Festivals were held in May featuring the superb music of 700 students. On May 18, the Junior-Senior Prom was held and all who attended enjoyed a Roman Holiday. Varsity

cheerleaders and Student Council elections were held in May and installation services were held at the Honor Assembly. Accomplishments of other members of the student body were also recognized at this assembly. On May 16, the seniors took a trip to the Amana colonies and on May 21 went to Marando's for class night. The Baccalaureate service and the beginning of a busy week for the seniors was held May 27. Practice, practice, practice, and finally Commencement ended the year for twenty-six seniors. They had now "found the wisdom of C.H.S." and would begin to apply it to their future.

Closely watched by Mr. Guthrie, Joan Dobbels and Wayne Gustafson are in the midst of constructing a pillar for a "Roman Holiday," the theme of the Junior-Senior Prom.

# ACADEMICS

This year six new teachers joined the faculty of C.H.S. to guide us in our search for wisdom. The Board of Education, the faculty, the janitors, the cooks, and the bus drivers all unite to form what we call academics. Each group, in performing their daily tasks, makes our school days easier and more pleasant. Due to the combined efforts of this administration, C.H.S. is considered one of the most educational schools in our area.

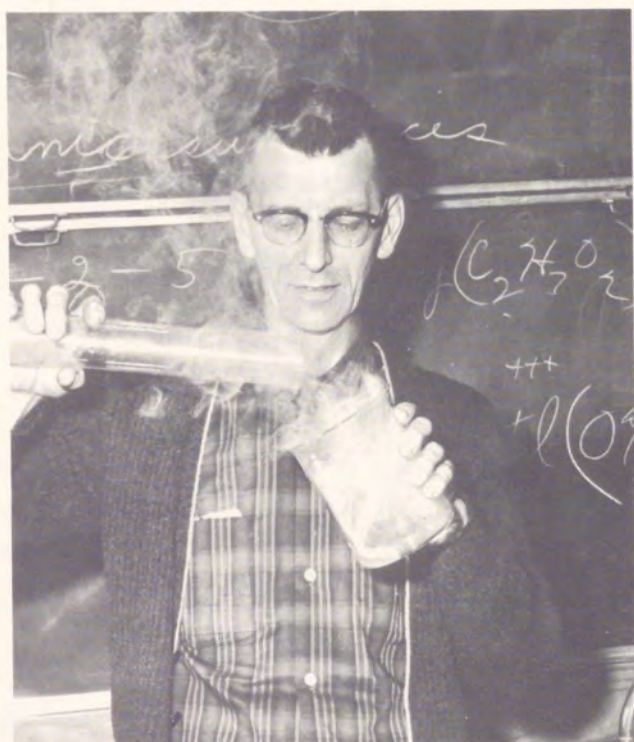

Melting sulfur in a test tube, Mark Lunde and Richard Nelson prepare an experiment for chemistry class.

Looking at the Periodic Chart of the Elements, David Bloom writes down the energy mass of several common elements.

## INCREASING IN IMPORTANCE, SCI

Hydrochloric acid and ammonium hydroxide produce the white smoke of ammonium chloride demonstrates Mr. Place.

### SCIENCE

Our science department includes general science, biology, and during alternate years, chemistry and physics. This important department has several goals. They are: to enable students to get a thorough background in all phases of science, to understand themselves in relationship to their environment, to gain the necessary knowledge in preparation for higher learning or training in the sciences and related fields such as medicine, and to give students a better understanding and appreciation of the sciences.

Having demonstrated fractional distillation to his general science class, Mr. Wigant explains the process thoroughly.

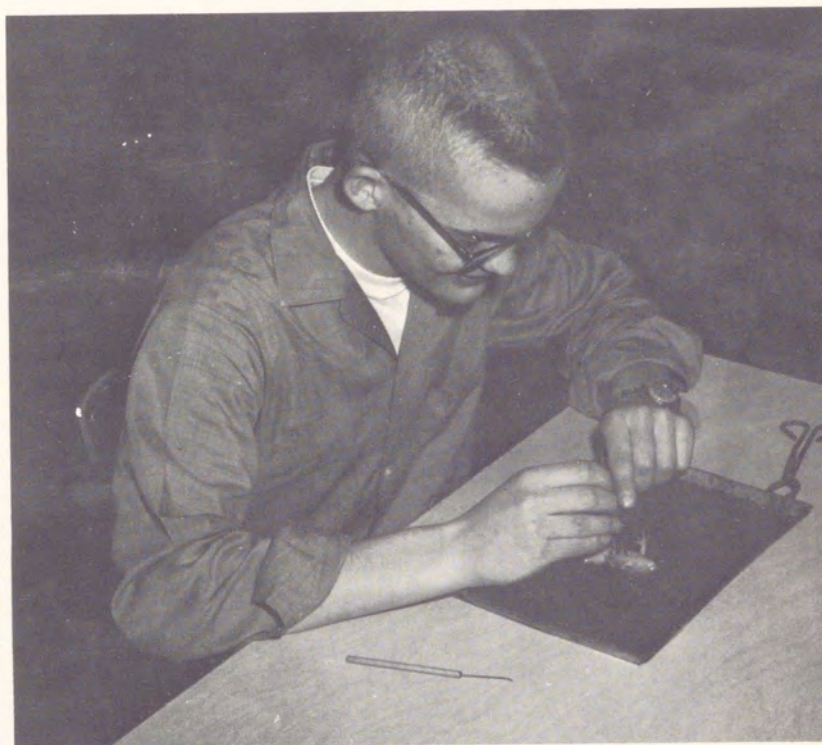

In general science class, Mike Echelberger and Cheri Dicken practice reading kilowatt hours.

## ENCE INFLUENCES MANY CAREERS

### SCIENCE FACULTY

MR. NORMAN PLACE teaches chemistry, physics, and biology. Mr. Place earned his Bachelor of Science degree at Western Illinois University. He spent one year doing graduate work at the State University of Iowa, three semesters of graduate work at Western Illinois University, and has almost finished his Master's degree.

MR. WILBUR WIGANT attended Monmouth College for four years and was graduated from that school. He teaches general science.

Preparing to dissect a frog in biology class, Jim Cederberg is filled with mixed emotions.

# LANGUAGES FORM COLLEGE BACK

Miss Westerlund listens intently as a student recites the different forms of the verb "to be."

## LANGUAGE

In our language department one will find Spanish and English. When the average youth completes the English program of four years, he should be able to read and write clearly and effectively. Literature and grammar are alternated through the year. The ultimate aim of our English course is to equip the student with the proper tools for improving his writing and speaking. Training in speech assists students to analyze speech deficiencies and gives them opportunity to learn how to correct themselves through proper remedial exercises and constant practice. Spanish has been introduced into Cambridge Schools in order to fulfill an urgent need for modern foreign language study.

Admiring the English IV term papers, Linda Kapple and Sandra Lewis look at Bill Lange's.

"According to the Spanish calendar, Christmas vacation begins in two days," points out Mr. Womack.

Mrs. Kenward turns the tape recorder on to record a speech in speech class.

Giving a report in U.S. History class, David Gustafson is closely watched by Mr. Birkett.

## HISTORY — PAST, PRESENT, FUTURE

In modern problems class, Mr. Truckenbrod explains how to fill out an income tax form for farm earnings.

### SOCIAL STUDIES

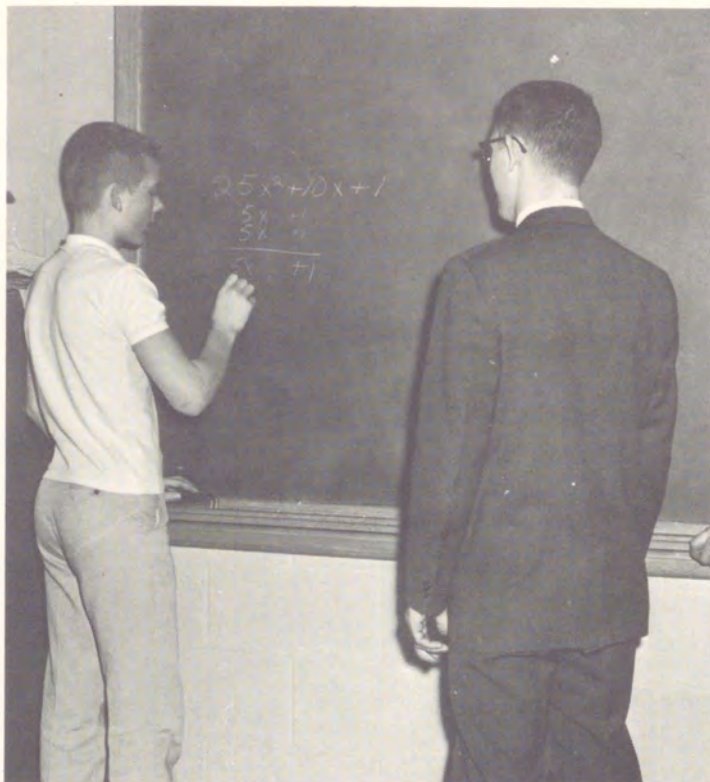

Social studies includes world history, United State history, modern problems, and civics. A United State Constitution test must be taken and passed by every student of U.S. history. Modern problems class attempts to keep students up to date on the current social, economic, and political problems of the country. Civics is mainly concerned with the workings of our national, state, and local governments.

### SOCIAL STUDIES FACULTY

MR. GEORGE BIRKETT, a new member of our faculty, received a Bachelor of Science degree from Ill. Wesleyan University. He teaches world history and American history.

MR. STANLEY TRUCKENBROD, also a new teacher, instructs modern problems and civics classes. He received his Bachelor of Science degree from Carthage College at Carthage, Illinois.

Looking over different geometric solids in solid geometry class, Eugene Stromquist holds a dodecahedron while Gary Robinson holds an isosahedron.

## MATH STRESSES PRECISION

"Imaginary numbers are really quite simple," explains Mr. Johnson.

### MATHEMATICS

Mathematics includes algebra, geometry, advanced math, and trigonometry. Started this year was the new four-year math program consisting of Algebra I, plane geometry, Algebra II, and a combined course of solid geometry and trigonometry. It is felt that this program will better qualify the students for the fields of engineering and math.

### MATHEMATICS FACULTY

MR. WILBUR WIGANT teaches Algebra I and Algebra II.

MR. RAYMOND JOHNSON attended the University of Iowa and was graduated from Monmouth College with a Bachelor of Science degree. He teaches Algebra I, plane geometry, Algebra II, and solid geometry.

# AGRICULTURE, HOME ECONOMICS,

Using an acetylene torch, Mr. Canavit demonstrates the correct welding procedure to his industrial arts class.

In family living class, Patricia Willems and Diane Verscheure look over a newly made house plan.

Miss Donley demonstrates correct sewing methods to her sophomore Home Economics class.

## VOCATIONAL ARTS

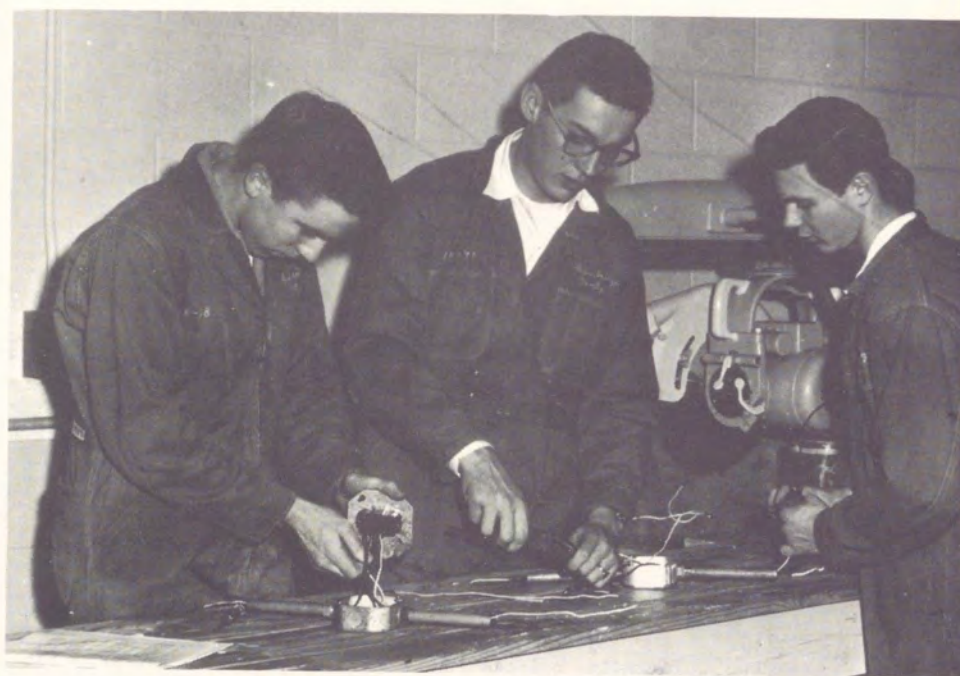

Vocational subjects include home economics, agriculture, and industrial arts. Home economics is designed for all future homemakers. It offers solutions to everyday problems that arise in school and affords answers to future marriage and family living problems. Agriculture is a course primarily for farm boys who hope someday to own their own farms. Each student must have a minimum of one production project with a high percentage of personal ownership. It is expected that over the four years the student will broaden his farming program to such an extent that he will be able to make a satisfactory start in farming or have accumulated enough resources to enter into one of the many fields related to agriculture. Industrial arts includes mechanical drawing, metal work, electricity, and woodworking. This course offers many students a good start in one of the many fields it covers.

# AND SHOP — A WAY TO MANY CAREERS

Mr. Guthrie breaks open an ear of corn to show the characteristics of a certain hybrid variety.

Wiring junction boxes and switches for their agriculture projects, Gary Robinson, Donald Moore, and Eugene Stromquist follow instructions carefully.

VOCATIONAL ARTS FACULTY  
MISS PATRICIA DONLEY, beginning her first year at Cambridge High, teaches Home Economics I and II and Family Living. Miss Donley was graduated from Western Illinois University with a Bachelor of Science degree.

MR. JOHN GUTHRIE, another new member of our faculty, teaches Vocational Agriculture. Mr. Guthrie received a Bachelor of Science degree from Western Illinois State Teachers College and the University of Illinois. MR. FRANK CANAVIT instructs in Industrial Arts I, II, and III. He was graduated with a Bachelor of Science degree from Western Illinois University.

"Tooling leather requires quite a bit of precision," explains Mr. Canavit to sophomores Carol Smith, and Kathy Palmer.

# PHYSICAL AND MENTAL FITNESS

On her way to her first period P.E. class, Mr. Fitzpatrick picks up her mail.

## PHYSICAL EDUCATION

The objectives of physical education are to develop ability to work and play with others and to practice the principles of fair play, co-operation, honesty, and consideration for others. The girls learn co-ordination and muscular skills through their activities, which include archery, hockey, tumbling, volleyball, basketball, dancing, and softball. The boys become apt in activities such as calisthenics, kickball, basketball, cage ball, track, and volleyball. A Physical Education Show is given annually in which the junior and senior high combine their talents to entertain the audience. During the winter, health is taught once a week.

Linda Reppert attempts a lay-up as Sally Lief and Norma Phillips try to block the shot that may cost them the game.

Tumbling on the parallel bars, Milton Johnson demonstrates his skills in gymnastics.

# GO HAND IN HAND IN P.E. CLASS

## P. E. FACULTY

# COMMERCIAL COURSES AID STUDENTS

For bookkeeping class, Bob Gault carefully writes down several figures concerning checks he has written.

Timing her typing class, Miss Maras helps teach her students to type with speed and accuracy.

In shorthand class, Joan Dobbels and Marilyn Johnson try their skills while Miss Maras dictates.

## COMMERCIAL

Personal typing, Typing I, shorthand, and bookkeeping are taught in our commercial department. Personal typing trains students to use the typewriter for personal and professional writing. At the same time, it gives them a sound foundation for advanced training in the other commercial subjects. One year of typing is required before anyone may take shorthand. Bookkeeping is helpful to all students who will have to keep reports and records for their own business or to those who will do office work. Many excellent opportunities arise for people with a good commercial background.

## COMMERCIAL FACULTY

MISS BARBARA MARAS was graduated with a Business Education degree from Illinois State Normal University. She teaches all of the commercial courses.

# MUSIC OPENS NEW HORIZONS

Mr. Burrus, who plays the clarinet exceptionally well, prepares to give us a sample of his talents.

## MUSIC

The music department includes boys' and girls' choruses, mixed chorus, and band. The aim of chorus work is to train students to read music, to acquaint them with all phases of music, and to teach them to harmonize. Joining chorus or band also gives the opportunity for public appearances since both groups have programs at Christmas and in the spring. They also enter the district music contest and the Cornbelt Conference Festivals. During the fall, the band has a marching exhibit at each home football game.

## MUSIC FACULTY

MR. CHARLES BURRUS, a graduate of Illinois State Normal University with his Bachelor of Education degree, instructs the choruses and band.

First tenors, Mike Telleen, Gary Gustafson, and Mark Reppert, sing up a "storm" in boys' chorus.

Practicing the cornet trio, Bill Lange, Bill Moore, and Don Moore prepare for the state music contest after receiving a superior rating at the district contest in Geneseo.

# SUPERINTENDENT, BOARD, SECRETARY

Talking on the phone is just one of the tasks that keeps Mr. Smith busy.

## SUPERINTENDENT

Our superintendent, Mr. Albert Smith, graduated from Colorado State College with his Master's degree. He also attended Northern Illinois University. Besides his Master's, he holds a Bachelor of Science degree. In addition to the great task of running the school, Mr. Smith instructs a driver education class.

Adjusting the master clock in his office, Mr. Smith sees that it is keeping correct time and that the bells are working properly.

Working with one of the many tools used in testing the reaction time of students in driver education class are Sharon Calsyn and Ray Sturdevant.

## RIES — INTEGRAL PART OF C.H.S.

Robert Rishel, Jack Sherrard, William Munson, August Boelens, Glenn Lindbeck, Roland Vinkel, grade school principal, Albert Smith, superintendent, Marvin DeDecker, and Robert Arndt comprise our excellent Board of Education.

Doing one of her many jobs, Mrs. Gillespie writes a check for the Viking Staff.

A new member of the office staff this year, Mrs. Burgeson is recording the students that are absent for the day.

# FOOD, NURSING — THEIR SPECIALTIES

Mrs. Schumaker, the school nurse, checks the throat of a grade school pupil who is feeling sick.

## NURSE

First-aid is carried on at the Cambridge schools by Mrs. Loretta Schumaker. In addition to her regular duties, Mrs. Schumaker has charge of the annual program of testing the eyes and ears of every student. When the nurse is not present, school personnel carry on first-aid in her office.

The school cooks, Mrs. Tucker, Mrs. Neuman, Mrs. Kellogg and Mrs. Boberg, wait for the first noon hour students.

# CUSTODIANS & DRIVERS DO THEIR PART

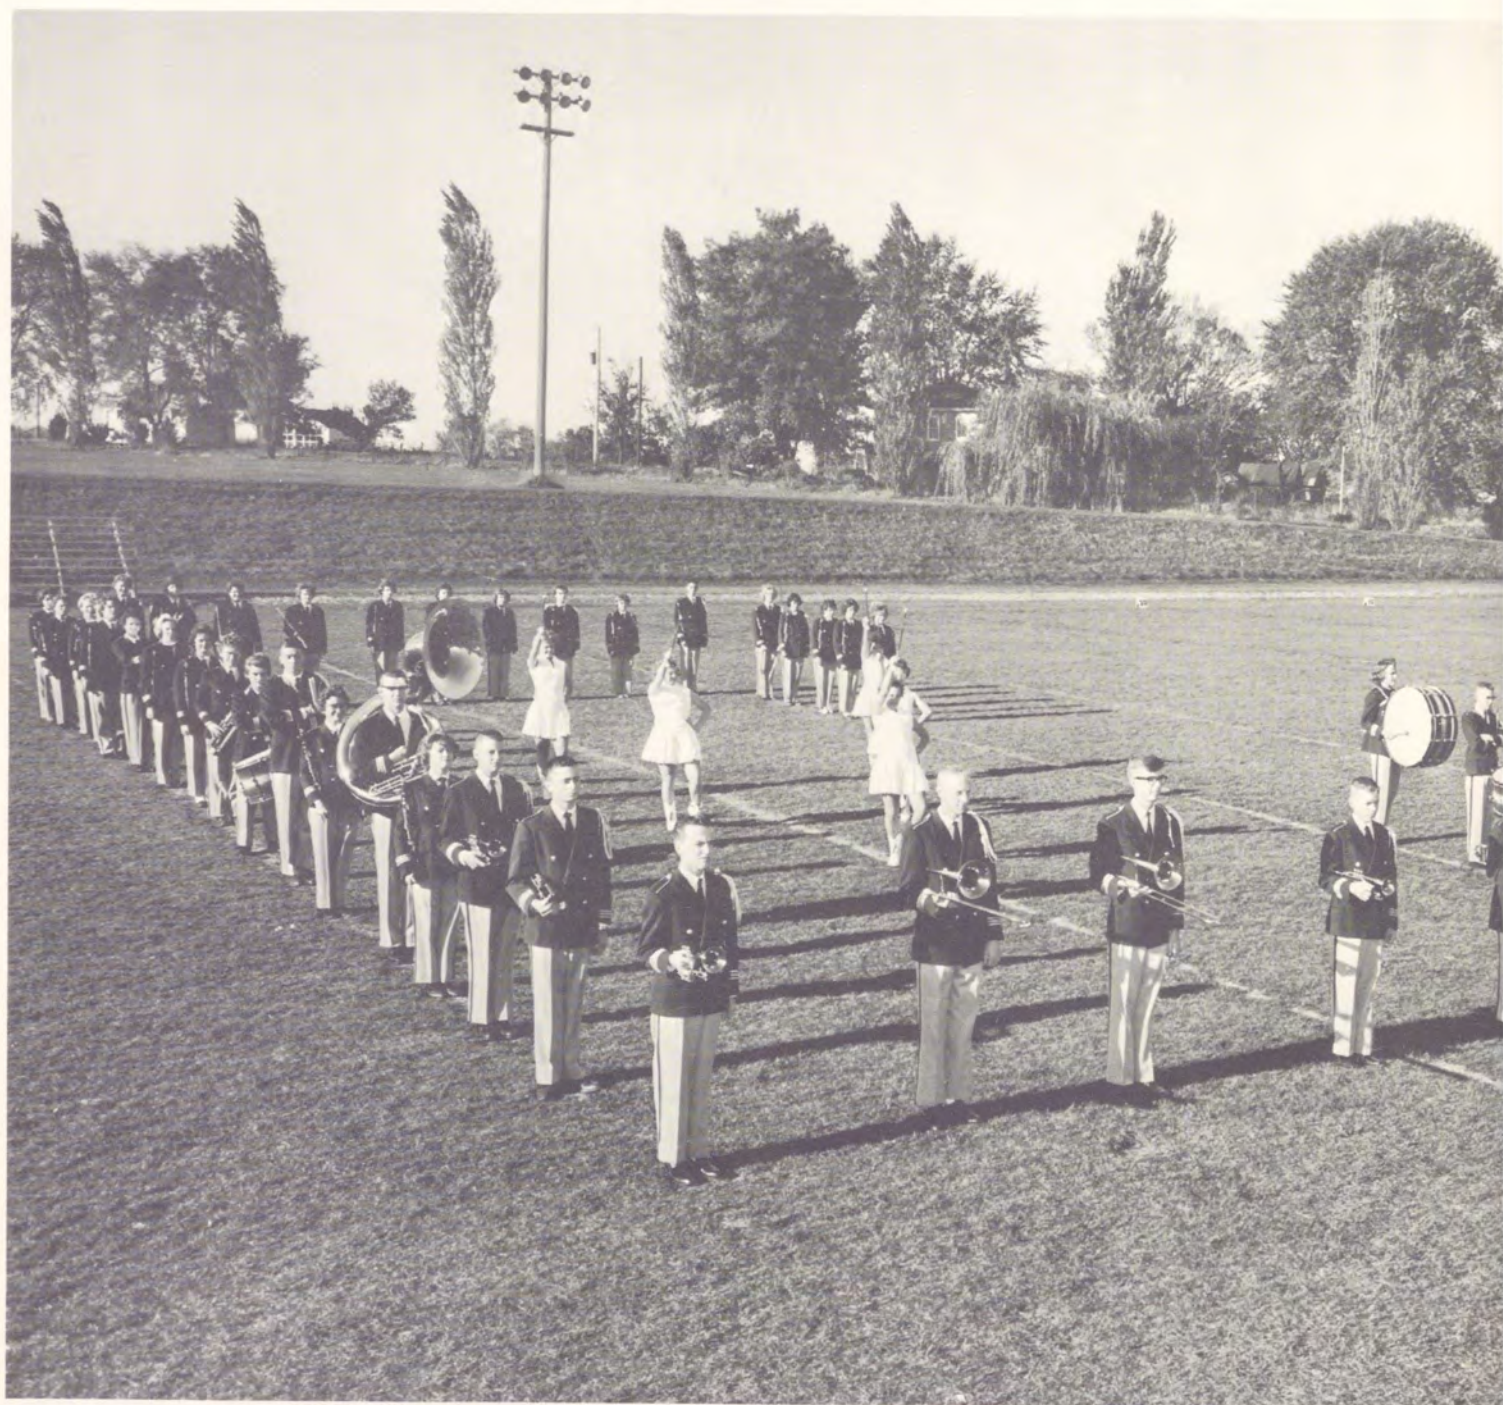

Our bus drivers, Mr. Peterson, Mr. Skallberg, Mr. Palmer, Mr. Becker, Mr. Young, Mr. Gustafson, Mr. Humphrey, and Mr. Tomlinson stand outside the bus garage before the afternoon "run."

Custodians Mr. Martin Nelson and Mr. Robert Burns are caught in the act of sweeping the halls and emptying the wastepaper baskets after school.

# ORGANIZATIONS

For those who seek it, wisdom may be found by more pleasant means than studying text books. C.H.S. offers many organizations that cover subjects such as journalism, agriculture, home-making, teaching, sports, photography, library duties, music, and student government. Each club does its part in providing recreation and variety to school life. A fountain of knowledge is waiting in organizations for those who will seek it.

## BAND

The band meets three times each week to practice selections which will be presented to the public on various occasions. Any person who plays an instrument is eligible for band, subject to an audition by the director or according to the needs of the band. Together with the choruses, the band presents a musical pageant at Christmas, a program in the spring, and a concert at the graduation exercises in May. It enters the district music contest and joins the Cornbelt Conference Band Festival. Band members are distinguished by attractive maroon and white uniforms with the Viking insignia on the sleeve.

### MAJORETTES

The chief aims of the majorettes at Cambridge High are to show the clever tricks of baton twirling and to add beauty to the marching band's exhibitions at halftime during football season. This year there were five majorettes, one of these being drum majorette. Orlana Faulkner, a sophomore, was selected by Mr. Burrus, band director, to hold this position. The majorettes usually attend district contests either in duets or as soloists.

### CHEERLEADERS

To become a cheerleader for C.H.S. is, indeed, the dream of every girl entering high school. Under the direction of both the junior-varsity and varsity cheerleaders, crowds urge our teams on to victory throughout the year. They contribute greatly to the moral of the players by creating the spirit of enthusiasm that is typical of the students at Cambridge High School.

Fresh-soph. cheerleaders, Karen Naslund, Patricia Robinson, and Sharon Naslund pose before they do a cheer.

## CHORUSES

At C.H.S. there are three different choruses for students to join--girls', boys', and mixed. The chief aim of any chorus work is to train students to read music, to acquaint them with different phases of music, and to teach them to harmonize. The boys' chorus, directed by Mr. Charles Burrus, is open to any boy with the desire to express himself in song. In doing so, these students give pleasure to others as well as to themselves. Girls' chorus is made up of freshman, sophomore, junior, and senior girls who wind their way into many lands and moods, via music. Mixed chorus is generally open to all members of either boys' or girls' chorus. Since the number of members is somewhat limited, the chorus is usually composed of the better vocalists. Because of their diligent practice, the students in mixed chorus harmonize well, and are really a treat to hear. Most of the practice time of the three groups is devoted to numbers for Christmas and spring concerts, the Cornbelt Festival, or contests.

As Mr. Burrus directs, Janice Stackhouse plays the piano for the boys' chorus.

**GIRLS' ATHLETIC ASSOCIATION**  
G.A.A., one of our most popular organizations, is sponsored by Mrs. June Fitzpatrick, girls' physical education teacher. To become a members, each girl must earn 24 points a year according to a point system which gives the student 2 points for each hour of participation in certain activities. Four different awards, each requiring a specific number of points, are available to members. They are: 75 points for first local award, 150 points for second local award, 225 points for first state award, and 300 points for second state award. These points can be earned by taking part in sports such as archery, volleyball, basketball, bowling, and hockey. The outstanding G.A.A. member of the year has her name engraved on the G.A.A. trophy which is presented at the annual Mother and Daughter Banquet in the spring.

# ACADEMIC ABILITY COUNTS!

## NATIONAL HONOR SOCIETY

Gaining membership in the National Honor Society is "the highest goal to reach in one's high school career." The Honor Society is sponsored by Mr. Wigant and Superintendent Smith. Its goal is to promote enthusiasm for the achievement of high standards in academics. To become a member, one must attain a scholastic average of 88.7 or above, and be strong in service, leadership, and character. Members of the sophomore class, meeting the qualifications listed above, may be probationary members. They may vote on business at hand, but cannot hold an office. The most important activity the society sponsors annually is an all-school Christmas party.

# KEEPING THE PUBLIC INFORMED

## MAROON AND WHITE

Each week under the guidance of Mrs. Tyra Jonson, our "Maroon and White" staff submits three columns of news to the Cambridge Chronicle. "A little bit of everything" appears in "Potpourri," a weekly feature written by Janice Stackhouse, a senior. By describing amusing little incidents that happen around C.H.S., Janice tells about school life in general. On alternate weeks, the freshman-sophomore news is written by Patricia Pickens or Lynne Seaton, and the junior-senior news by Bettine Gillespie or Nancy Johnson. These colorful columns appearing in the paper under "Maroon and White" acquaint the public with many intimate glimpses of school life.

Having prepared her weekly column for the CHRONICLE, Janice Stackhouse checks it over with the paper's editor, Mr. Leslie Sanquist.

Keeping the community informed about the high school news through the Cambridge Chronicle is the duty of the Maroon and White writers, Lynn Seaton, Bettine Gillespie, Nancy Johnson, Pat Pickens, Janice Stackhouse, and Mrs. Jonson, the advisor.

## LIBRARIANS KEEP BOOKS IN ORDER

### LIBRARY CLUB

The main purpose of the Library Club is to train students for the job of school librarian. Each girl who joins the club is given a bronze pin which is exchanged for a silver pin after she has worked the required number of hours. The girls check books in and out, collect fines on overdue books, read the shelves, take care of the magazines, work on the bulletin boards, and perform many other such tasks. Mrs. Kenward, the club's sponsor, helps and directs the student librarians with their different jobs.

## PEP CLUB CREATES ENTHUSIASM

### PEP CLUB

"And away we go!" is a very familiar cry shouted by the pep club members this year. As a result, students have come home many a night unable to talk or to even utter a sound. To arouse student enthusiasm is the basic aim of this organization. Because of the tremendous size of the club, hardly a game passes by that a rousing cheering section isn't present--whether the game is at home or away. Coaches George Birkett and Stanley Truckenbrod do a great job in promoting enthusiasm needed by the team members. Money-making projects for this club include selling viking pennants and cushions.

PEP CLUB OFFICERS, Victoria Mardock, Janice Stackhouse, and Connie Pavel prepare to conduct one of the Pep Club's monthly meetings.

The Projection Club provides student operators for the school's audio-visual aids. Sound projectors, recorders, filmstrip and opaque projectors, and public address systems are some of the equipment that Projection Club members learn to use expertly with the help and guidance of their sponsor, Mr. Canavit. The members often help teachers by running movie and slide projectors and tape recorders for various classes. Another one of their jobs is to keep the equipment clean and in perfect running order.

## VIKING SCIENCE EXPLORERS

The Viking Science Explorers, sponsored by Mr. Norman Place, is an organization dedicated to furthering the understanding of science and its appreciation. To be considered for membership, a student must write an application and give it to the secretary of the club. An investigation is conducted by a committee which either accepts or rejects the applicants. In this way, only those who are truly interested in science may join. During the year, each member must choose and pursue some particular project. The club projects this year have been building a school insect collection, an ant colony, and making a live landscape on a table in the science room. Giving demonstrations, working on projects, participating in science fairs, and visiting places of scientific interest are all part of being a member of the Viking Science Explorers.

Checking over a few of the animal skulls which he will exhibit at the science fair this year, Mike Anderson prepares to classify them.

## SPANISH CLUB

The Spanish Club, the newest extra-curricular organization in C.H.S., was formed last year. To be a member, each student must have completed at least one year of Spanish. Mr. Maurice Womack, local Spanish teacher, is the adviser. The main purpose of this organization is to enlarge its members knowledge of Spain itself as well as to learn how the basic principles of the language were discovered by Spanish-speaking people. The money the club made this year was spent for food used at the Spanish dinner parties held in the spring and fall.

## STUDENT COUNCIL

For many years, the Student Council has been one of the best and most active organizations of its kind. Its good name has been upheld by the excellent guidance of its sponsor, Mrs. Inez Kenward. The purpose of this organization is to promote a closer understanding between the student body and the faculty. Again this year, as in the past, the Student Council was responsible for preparation for the annual C.H.S. Homecoming. In addition, the Council members, had a big money-making project for which they sold book covers and small paper folders with clever sayings and colorful prints. In all, the Student Council had a very successful year.

To be a member, a boy must have a major letter and be approved by a two-thirds majority of the active members of the club. This year's sponsors for Varsity Club are Mr. George Birkett and Mr. Stanley Truckenbrod. The club decides on letter awards and sets training rules. The Varsity Club is a very important part of Cambridge High's athletics.

## TOWARD A BETTER YEARBOOK

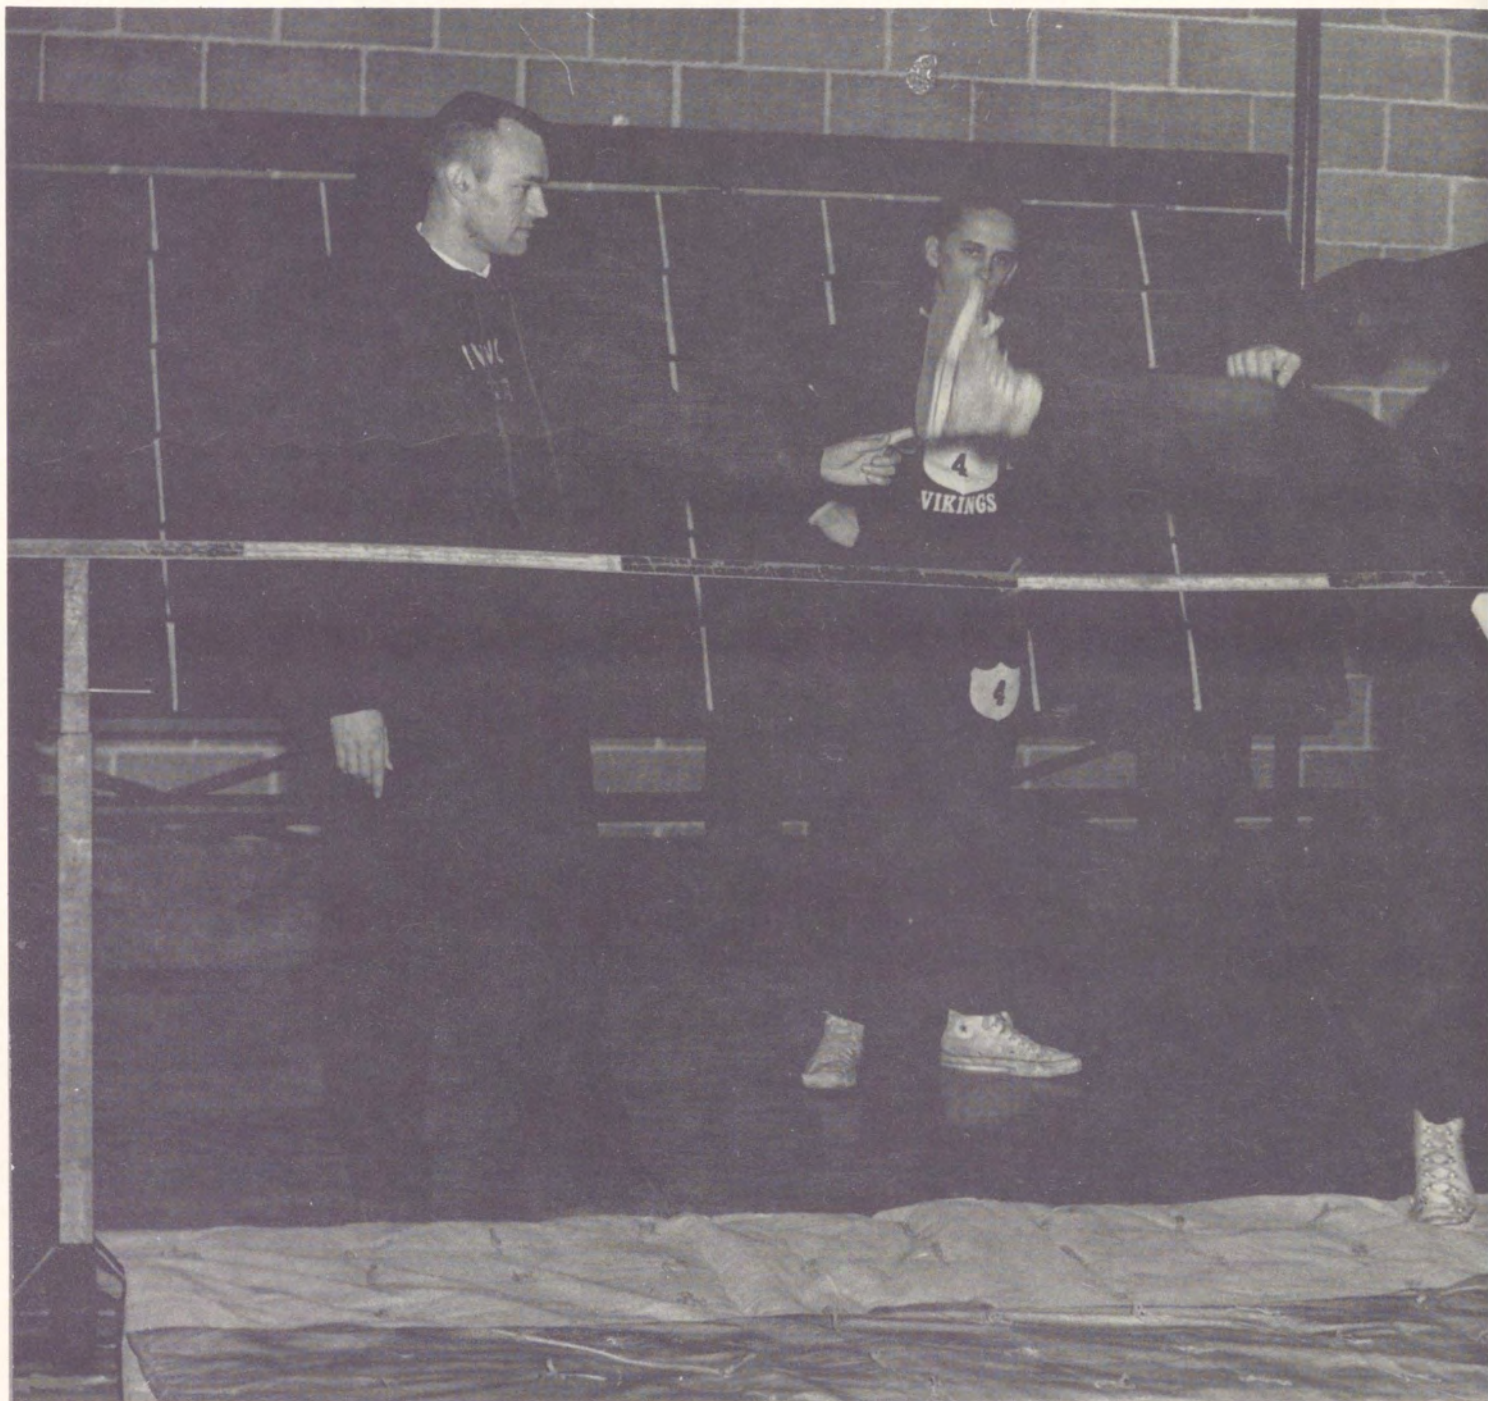

### VIKING STAFF

As the time for the annual appearance of the Viking approaches, students wait for it with great anticipation. They know that in later years it will bring back many fond memories of high school life. The annual is intended to promote a better understanding between the school and the community by attempting, through its picture narrative, to describe the varied activities of our students. To qualify for staff writing, one must show proficiency, strong scholarship, leadership, and cooperative characteristics. These traits are put to much use throughout the year as the staff members spend many long hours thinking of new ideas and meeting deadline dates. This year the Viking is under the excellent guidance of Mr. Wilbur Wigant. Although this is his first year as sponsor, he has had an influential part in the success of the annual Viking Carnival.

# ATHLETICS

Each season brings a different sport to C.H.S. Frosty autumn evenings find loyal students braving the cold to cheer our football team to victory. On winter evenings the gymnasium is filled with enthusiastic basketball lovers who spur the Vikings onward. As spring approaches, we once again move out-of-doors as the track season begins. Our role of sports is fiercely defended and actively supported, for through it, boys gain much wisdom of sportsmanship and physical skills.

## FOOTBALL TEAM SHOWS GOOD ATHLE

### FRESHMAN-SOPHOMORE

Although the freshman-sophomore team didn't have a winning season, the outlook for the future may not be as bad as it seems. The main purpose of having a Freshman-Sophomore team is to give the younger boys a chance to play and gain experience for future varsity years. This objective was readily attained at C.H.S. this year because of the steady improvement of most of the players. The 1961-62 season is the first time in five years that Cambridge has had a Freshman-Sophomore team. This squad is a great asset to Cambridge's football program, since in spite of how much practice the boys have, experience is best obtained in competition with other schools.

### VARSITY

The 1961 football season started off with a new coach and a team with many re-

turning lettermen. After some hard conditioning, drills, and play execution, the team was ready to face Erie for their first game. This contest ended in disaster as the Erie team, the finest in years, easily overpowered the Vikings. Next we played our first conference game with Atkinson, who we held to 26 points, their lowest score of the season. Through the rest of the year, we continued to improve with every game but we always seemed to lose our form and confidence and energy for a victory in the last half of these games. In our second conference game with Winola, we ended in a 0 to 0 tie because we couldn't get our offense working. From then on, we played some good games, but we never came up with a victory, which is unexplainable. The Vikings ended the season with a record of 0 wins, 1 tie, and 7 loses.

Teamwork counts as several players push a training sled during a practice session.

Although this year's freshman-sophomore basketball team had a poor record (2-16), many of the games turned out to be very close. Several times the fresh-soph squad was ahead by ten or fifteen points part way through the game, but still lost by a few points. Toward the end of the season, the squad became noticeably better, which resulted in their two victories over ROVA and Atkinson. Since the purpose of having a freshman-sophomore team is to develop players for future varsity years, we are sure Coach Wigant's squad will produce some very capable players. Also, since three freshmen were on the starting five, they will have a good start for next year's team.

## VARSITY SQUAD EXHIBITS DESIRE

Mr. Birkett, varsity basketball coach, watches his players scrimmage in the gymnasium during a practice session.

The varsity basketball squad started off the season with three first string lettermen, a new coach, and hopes of improving their last year's record. Although we lost our first game, our contest with Geneseo on our home court greatly enlightened our hopes for a successful season. This game was probably one of the team's best played games all year as the Geneseo team was expected to defeat us by 15 to 20 points. Shockingly, the tables turned and we gained a victory, 51 to 50, overcoming a twenty point deficit in the last quarter. In conference play, the team got off to a slow start by receiving narrow defeats in a number of games. Our best conference game was undoubtedly our home game with Sherrard Tigers, who we beat--their second and last conference defeat. The Vikings were defeated in the first round in both the Conference and Galva tournaments, losing to a powerful Galva team in the Galva Tournament and to Westmer in the Cornbelt Conference Tournament. In the Alexis district tournament, Alwood defeated us in the semifinal round to go on and be defeated by Alexis in the finals.

Don Carlson makes another basket as the Atkinson team fails in an attempt to block his shot.

## TRACK TEAM COMBINES WINNING

A short time after basketball season, the Cambridge track squad of 41 members could be seen running laps around the school block under the direction of Mr. Rumley and Mr. Truckenbrod. The squad participated in sixteen track and field meets starting with a triangular meet in March. The fresh-soph squad placed sixth in the Fresh-Soph Conference Track Meet, while the varsity, with 18 points, placed fifth in the Varsity Conference Track Meet. Six records were broken in the varsity conference meet, three of them being records formerly held by Cambridge track stars. The school high jump record was broken by Don Carlson who jumped 5 ft. 9 1/2 in. in the District track meet held at Rock Island. With almost all of the talent returning next year, the Vikings should do well in track.

# ACTIVITIES

At C.H.S. we have many activities which involve the time and energy of almost every organization and faculty member. After-the-game sock hops, the various and enjoyable holiday dances, the extra special Hop and Prom, the carnival, the junior class play, and the various music concerts are all a part of our many activities. They all combine to add that magic touch and much-needed variety to the everyday school road the students take on their quest for knowledge.

Carolyn Nimrick tests her mathematical ability as she counts the number of boards in the gym floor.

One warm day early last September, the members of the freshman class arrived at school dressed in the garb required by the senior class. On this day, the walks and steps in front of the school were cleaned minutely with toothbrushes. Seniors were treated royally by the freshmen who were ordered to bow and chant the phrase, "I love Seniors." Many duties were given to the freshmen, such as counting the number of boards in the gym floor or doing calisthenics. Lunch periods proved to be a very rough time to the lowly freshmen. Required markings and additional ones were provided by artistic seniors using lipstick. As usual this day proved to be very entertaining to everyone but the freshmen.

In the evening, the freshmen provided an excellent program at a party given in their honor by the seniors. After this day, the "Class of 65" became an official part of CHS and began in earnest to seek wisdom within its classrooms.

## BEWILDERED FRESHMEN INITIATED

Freshman "slaves," Arlon Vincent, Lee Carlson, and Arthur Evans, push Virginia Vincent's car "for exercise" during initiation.

Cleaning the steps with toothbrushes, several freshmen "slaves" are closely watched by their senior "masters," Burl Moody and Donald Moore.

## ALUMNI CELEBRATE HOMECOMING

Mr. Truckenbrod introduces the senior major letter winners, John Finnicum, Bill Lange, Bill Drescher, Donald Moore, and Richard Nelson to Homecoming audience.

On Thursday night October 26, the Homecoming celebration began with the traditional bonfire, pep session, and "snake dance." After speeches by football coach Truckenbrod and Clarence Humphrey, the students formed a snake and danced through the business district in town. On Friday evening, unfortunately, the Cambridge team was defeated by Sherrard. At half time, the marching band put on a memorable performance with special lighting effects. After the game, ceremonies were held to welcome back alumni. Crowned as King and Queen of the 1961 Homecoming were Donald Moore and Virginia Vincent.

Dates enjoy dancing to the music provided in the school gymnasium during the Homecoming celebration.

# CARNIVAL OFFERS MANY AMUSEMENTS

Carnival King and Queen candidates, from ends: Milton Johnson and Connie Pavel, seniors; Dale Nimrick and Trudy Munson, Juniors; Bordy Munson and Pat Pickens, freshmen; Dave Bloom and Vicky Mardock, "60" king and queen; SITTING, Philip Telleen and Alice Gorden, king and queen.

Giving the car another tremendous slam with the hammer, Jim Wiley nearly caves in the roof.

Last fall during October and early November, the classes of CHS worked to their limits to make their candidates the king and queen of the carnival. On the evening of the carnival, November 11, those who attended participated in such things as Smear-A-Viking, basketball, cake walk, and Crazy Ball. A new innovation this year was an old car placed in the parking lot for wrecking with sledge hammers at three swings for twenty-five cents. Later in the evening, after a fine, funny program, the Sophomore candidates Phil Telleen and Alice Gorden were crowned king and queen of the 1961 Carnival. All in all, this year's carnival was the most profitable ever, thanks to the work and diligence of the students of CHS.

The Nairobi trio strikes again as Burl Moody, John Finnicum, and Bill Drescher begin their performance.

## "SANTA CLAUS" COMES TO C.H.S.

Receiving two packages from "Santa," alias Steve Bloom, Honor Society member Bettine Gillespie and Mr. Smith, sponsor, prepare to distribute them.

Following the Grand March, several students take to the dance floor.

The orchestra strikes up a lively tune to get the dancing part of the Christmas party under way.

On December 16, 1961, the CHS annual Christmas party sponsored by the Honor Society was given. The evening began with a short program in which a few popular Christmas carols were sung and the Christmas story was read from the Bible by Mark Lunde. At the termination of this program, Honor Society members passed out gifts under the direction of "Santa Claus." The rest of the evening was spent dancing to the music of Gorden Lundberg's band amidst the beautiful decorations placed in the gym by Honor Society members. A fine time was provided for everyone who attended.

On December 17, 1961, the CHS music department, under the direction of Mr. Charles Burrus, presented a Christmas concert in the gym. Due to much practice and preparation by the musicians, all who attended enjoyed numbers such as the HALLELUJAH CHORUS and GLORY TO GOD, both from the MESSIAH, by the mixed chorus; SLEIGH RIDE and THE HOLY CITY by the girls' chorus; THE COVENTRY CAROL and MEDLEY OF CHRISTMAS CAROLS by the boys' chorus; and ADESTE FIDELIS and Excerpts from the MESSIAH by the band.

Under the direction of Mr. Burrus, the mixed chorus sang the HALLELUJAH CHORUS and parts of the great oratorio, the MESSIAH, by Handel.

## CHRISTMAS PREVAILS AT CONCERT

The CHS Band, under the direction of Mr. Burrus, played many classical and traditional Christmas pieces.

On a snowy February 17, 1962, it was time once again for the annual Sweetheart Ball. The CHS gymnasium once again became the home of the mythical Cupid. The fine decorations added much to the success of the party. Later in the evening, Marilyn Johnson and Gary Robinson were honored as Sweetheart and Heart-throb for the year. Fine dancing music, provided by an orchestra, was taken advantage of by many. Enthusiasm and the many efforts of the FFA and FHA combined to make this one of the most memorable parties of the year.

At the Sweetheart Ball, couples dance dreamily around the centerpiece as "Cupid" looks on.

## HARVEY MAKES HIS DEBUT

On Friday, April 13, at 8 P.M., the junior class presented HARVEY. This play centered around Elwood P. Dodd and his friend Harvey. True, there was nothing odd about that, except that Harvey was a white rabbit, six feet, one and a half inches tall. Due to fine acting and the superb directing of Mrs. Inez Kenward, the play will be long remembered by students and townspeople.

Having answered the telephone, Elwood, portrayed by Kent Burns, calls his sister Veta Louise to the phone, as Harvey reclines in the chair.

"And what's more, he's every bit as big as Elwood says he is!" exclaims Veta Louise (Bettine Gillespie) to Dr. Sanderson (Bill Moore).

Near the close of the annual spring concert, the girls' chorus sings a lively tune to wake up the audience.

While singing "The Creation," the basses and tenors take the lead, while the sopranos and altos wait for their cue to join in.

## CONCERT USHERS IN SPRING

On Sunday, April 29, the music department of CHS, under the direction of Charles Burrus, presented their annual Spring Concert. To begin the evening, the mixed chorus sang a variety of numbers such as "Little Wheel A Turnin'" and "The Creation." Then the boys' chorus sang "Rain and the River" and "Ride The Chariot." The girls' chorus sang "The Night has a Thousand Eyes," "I Could Have Danced All Night," and "Praise Ye the Lord." To end an evening of fine music, the band played a selection of numbers including "Theme from Exodus" and "Hennessey's Theme." Several special numbers were provided by some of the outstanding members of the various musical groups.

Under the direction of Mr. Burrus, the concert band begins playing their first song of the evening.

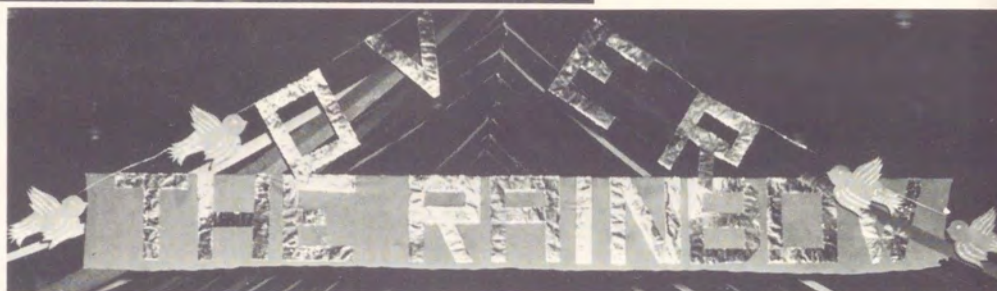

# HOP HELD "OVER THE RAINBOW"

Reigning Prince and Princess of the Fresh.-Soph. Hop, Les Matson and Lea Mecum, are surrounded by Ann Wislander, Dean Wiley, Karen Caldwell, and Gary Lundberg.

This year the theme of the Freshman-Sophomore Hop was "Over the Rainbow." A king-size rainbow was constructed in the front of the gym. Other decorations included a "sky" made of various shades of blue. After a hilarious welcome speech given by Dean Wiley, something new was added to the Hop as Gary Gustafson and Karen Caldwell crowned Les Matson and Lea Mecum prince and princess of the Hop. Freshmen and Sophomores alike expressed regrets that the evening ended so soon.

With the "rainbow" in the background, couples enjoy the music provided at the Fresh.-Soph. Hop.

Dancing around pillars at the Junior-Senior Prom, dates truly enjoy a "Roman Holiday."

After the prom dance, 4:45 A.M. to be exact, Kathy Hutchinson tries to bowl and keep a-wake at the same time, while others are either eating breakfast or relaxing.

## SENIORS ENJOY A "ROMAN HOLIDAY"

"I crown you king of the 1962 Prom," declares Lynda Reppert as she places a garland on Bill Lange's head, while Mike Anderson and Queen Connie Pavel watch the proceedings closely.

On the evening of April 18, the prom banquet was served in the cafeteria. After eating, those in attendance enjoyed a fine program featuring two numbers by Dorothy Shearer and several selections by the boys' quartet. After the program, prom-goers went into the gym where a "Roman Holiday" was in progress. Couples danced among pillars festooned with grapes to the music of Robert Hodgett's Melody Five. Later in the evening Bill Lange and Connie Pavel were crowned as King and Queen of the 1962 Prom. After the dancing was over, a caravan went to Geneseo to see "Light in the Piazza." Then the local bowling alley was opened for the pleasure of the prom-goers. After a good breakfast at the bowling alley, the prom was over for another year.

After the prom banquet, Bettine Gillespie, toastmaster, reads a humorous epilogue concerning the seniors.

Mary Jane Vincent enthusiastically accepts the trophy for the most outstanding girl in G.A.A. from girls' P.E. teacher, Mrs. Fitzpatrick.

At the annual honor assembly, Coach Birkett presents Don Carlson with a trophy for "The most times placed in major track meets."

## HONORS PROGRAM RECOGNIZES MANY

The Honors Assembly for the 1961-1962 school year was held May 23. After the installation of the student council officers, Mrs. Kenward told some of the highlights in the work of that organization. The top Spanish students in each class received awards from Mr. Womack. The G.A.A. awards were then given to deserving girls by Mrs. Fitzpatrick. Student Librarians were given pins for service. The athletic awards were distributed by Mr. Birkett and the Viking Staff awards were given by Mr. Wigant, Mr. Smith announced Mark Lunde Valedictorian and Richard Nelson Salutatorian.

Burl Moody, student council president, installs incoming president Trudy Munson and explains the many duties expected of her.

During commencement exercises, the "Class of 1962" listens intently to the speaker provided for the occasion.

## GRADUATION SIGNIFIES END-START

As the strains of Pomp and Circumstance were heard once again in the gym, the members of the class of '62 knew the future was to become their destiny. After a full week of Baccalaureate, class night, and graduation practice, the senior class had reached the culmination of their years in high school. A capacity crowd of parents, relatives, and friends was present to hear the special music, the Valedictory and Salutatory speeches, and commencement address by Mr. Charles Austin, Jr. Following the presentation of the class by Superintendent Albert Smith, diplomas were presented to the twenty-six members of the class of '62 by John C. Sherrard, president of the board of education.

Charles Austin Jr., the speaker for commencement, was enjoyed by both the graduating class and the audience.

# CLASSES

On the following pages are the students who come daily to C.H.S. in their search for wisdom. The freshman come first--confused and bewildered. However, they soon adjust to our ways. The sophomores spend their time checking coats and sponsoring bake sales in order to finance the Hop. The juniors perhaps are the busiest, with their class play and the Prom. Last are the seniors who are almost at the end of part of their search for wisdom and are awaiting graduation

## FRESHMEN ENTER HIGH SCHOOL

FRESHMEN CLASS OFFICERS: Pat Pickens, sec., Dave Larson, vice pres., Mike Telleen, pres., Marlene Jodts, treas., Karen Naslund, stud. coun. rep.

As usual, the freshmen had some difficulty finding the right classroom and teacher at the same time, but after a few days, they became acquainted with the everyday routine at C.H.S. Initiation day was an unforgettable experience for the freshmen and their costumes were a source of amusement to their fellow students. Homecoming attendants were Sue Hunter and Arlon Vincent. The freshman Carnival candidates were Pat Pickens and Bordy Munson. The three freshman cheerleaders, Karen Naslund, Sharon Naslund, and Patricia Robinson kept spirits high at all games. The Hop was a big event for the freshmen and the memories of this dance and important events will live in their hearts forever.

Working on their projects, freshmen in Industrial Arts I do their best to finish them before school is out.

## SOPHOMORES ARE BEGINNING TO

SOPHOMORE CLASS OFFICERS: Ronnie Hanson, sec.-treas. Charles Johnson, vice. pres., Dean Wiley, pres., Alice Gordon, stud. coun. rep., Lynne Seaton, rept.

As usual, the sophomores found that the second year of high school was more exciting than the first. This year, they were able to take a more active part in the social life at C.H.S. At Homecoming, Chuck Johnson and Jane Finnicum represented the sophomore class. The Carnival candidates were Philip Telleen and Alice Gordon. Many sophomore boys proved to be the mainstays of the Jr. Varsity basketball team, and active members of other sports as well. Jane Finnicum and Nancy Reed served as varsity cheerleaders. The sophomores spent many hours decorating and arranging the Hop, and it proved to be an event that they could be proud of. The whole sophomore class eagerly awaits the coming year when they will become juniors and upperclassmen.

On the first day of school, sophomores registered and received their locker numbers from Mr. Wigant.

Jane Finnicum and Gene Chapman put the finishing touches on the hop as they decorate a bird bath.

## JUNIORS HAVE A BUSY YEAR AS

JUNIOR CLASS OFFICERS: Dave Bloom, V. Pres.; Mike Anderson, Pres.; Marilyn Johnson, Student Council Rep.; Bettine Gillespie, Sec.-Treas.

As the school year began, the juniors were looking forward to all the important events that would take place in the coming year. Among these, the class play, the Prom, and the receiving of their class rings, were the most important. Dave Bloom and Bettine Gillespie were the junior attendants at Homecoming. When the carnival arrived, Dale Nimrick and Trudy Munson served their class as candidates. During the football, basketball, and track seasons, many juniors were active. Trudy Munson and Marilyn Johnson were two of the varsity cheerleaders. In March, the Junior Class Play, HARVEY was presented and proved to be a great success. As the year drew to a close, most juniors found it hard to realize that they would be seniors next year.

Stringing "grape vines" around "ancient Roman pillars," Bob Poppleton and Larry Weinrich add the finishing touches to the Junior-Senior Prom decorations.

"Mine has a white stone," exclaims Marilyn Johnson as she and Pat Willems admire their newly arrived class rings.

## THEY UNDERTAKE NEW OBLIGATIONS

Mr. Smith explains the results of their National Merit Scholarship tests to juniors Trudy Munson and Steve Bloom.

## SENIORS MAKE MOST OF LAST YEAR

SENIOR CLASS OFFICERS: Donald Moore, sec.-treas., Connie Pavel, vice. pres., Richard Nelson, pres., Virginia Vincent, stud. coun. rep., Nancy Johnson, rept.

As their last year at C.H.S. comes to a close, the class of '62 has many happy memories to look back on. At Homecoming, the first big event of the year, Virginia Vincent and Don Moore led the royal procession as king and queen, while Eileen Ristau and Gary Robinson served as their attendants. As Carnival time rolled around, Connie Pavel and Milton Johnson represented the Seniors. At the Sweetheart Heartthrob Ball, Maxine DeKezel and Gary Robinson were senior candidates, and Gary was voted heartthrob. The biggest event of the year for the Seniors was the Prom. Bill Lange was crowned king and Connie Pavel was crowned queen. A few boys who went out for sports for the first time during their high school days and found they wished they had started participating much sooner. As the year drew to a close, the seniors looked forward, better prepared for life ahead by the four years spent at C.H.S.

# THE '62 VIKING IS COMPLETED!

Assistant editor Mike Anderson, editor Mark Lunde, and photography editor Bob Gault strive to meet the final deadline for the 1962 VIKING.

Hard work . . . late hours . . . and deadlines just about sum up the last year as the staff and I labored to make the '62 VIKING a true and unbiased picture of life at Cambridge High School.

With the last deadline almost completed, I look back over the year and experience a feeling of gratitude--gratitude first of all to my staff for their steadfast work and faithfulness; to Mr. Wilbur Wigant, adviser, for his invaluable assistance; to Mr. William Schultz, photographer, for his pictures and willing retakes; and to Mr. M. L. Gardner, American Year-book Representative, for his helpful tips.

I would also like to express my thanks to Superintendent Albert Smith and the office secretaries for the co-operation and interest they showed throughout the year with their help and generous gifts of office space and equipment.
