THE 1980 VIKING IS DEDICATED TO INA BURGESON

This year's Viking is dedicated to Ina Burgeson who exemplifies the word "dedication". She has been a very devoted and concerned secretary to the Cambridge School System for 19 years. A mother away from home to many students. She was eager to listen to or help with any problem, no matter how great or small. She also encouraged us with a little advice on how to solve problems ourselves.

So it is to Ina that we dedicated the 1979-80 yearbook. Through this token of our appreciation, we, the students hope that she will remember her days at CHS as fondly as we will cherish our memories of her.

The '79-'80 school year was a challenging one for the class of '81". The juniors faced their hardest classes ever, with chemistry and Algebra II in the schedule. They also assumed more leadership roles at CHS.

The busy year started off with the junior class supper. Planning and preparing the meal took a lot of time from both the students and their mothers. Next, thoughts were turned toward Homecoming. The juniors had a busy time getting the float done and participating in the spirit week activities.

The junior class play was the next thing on the agenda. Many people worked hard to make it a success. The directors were Mr. Allen and Mrs. Gresch. Many of the spectators said that it was one of the best plays they had seen in a long time.

Although the juniors were involved in many things, some of them also turned their attention to sports. There were a lot of juniors on both the volleyball and football teams, and there were just as many on the basketball and wrestling teams. Many of the juniors were also on the track teams.

The prom was about the last thing in the busy year, but it was also one of the toughest activities to plan. Lining up the entertainment, the places to hold the prom and after-prom proved to be quite a hassle, but it was all finally done. All in all, it was a very busy year for the class of '81".

SOPHOMORES

As the Sophomore float at right proclaims, the class of "82" has alot of spirit. During the 1979-80 school year, many sophomores appeared at games and other CHS activities to help spread spirit and enthusiasm throughout the school. Above, colorguards Cathy Crawford, Carla Verscheure, and Sharon Tomlinson lead the band in the Homecoming parade.

As sophomores, the class of "82" met and conquered many new challenges. For most, driving was one of these. Learning how to drive was just one of the many challenges these sophomores had to face. Their school spirit showed in many different areas, especially sports. The freshman volleyball team consisted mostly of sophomores, and the basketball and wrestling teams also benefitted from the sophomores' experience. Ordering class rings in the spring was a tough decision for some, but exciting nevertheless.

FRESHMEN AWAIT SOPHOMORE YEAR

The first year in high school for the freshman class was a challenge. The first days involved getting used to teachers, finding classes, and talking to friends. Soon there were football games, cheerleading and lots of homework to think of. As the year progressed, the freshmen got involved in many activities such as GAA, FFA, band, and lots of sports. Both the freshmen girls and boys were important to the success of their teams. Freshmen wrestlers really liked their first year of wrestling and were glad to have the experience for the rest of their years in high school wrestling. Home Ec classes enjoyed cooking and sewing while Industrial Arts classes put engines together and made things with wood. Toward the end of the year many students in the class of "83" began to look forward to being sophomores and to the privileges a year of experience will give them.

SPORTS

VIKINGS HAVE DISAPPOINTING SEASON

Although the season started off well for the Vikings with wins against Orion and Monmouth, the team met defeat at the hands of Alexis, who later became the undefeated conference champions. This loss and a loss to Winola had a strong effect on the Viking's morale. While their record was unimpressive, few games were lost by more than six points.

The Vikings had 4 all-conference picks. They were: David Casteel- *Offensive tackle*, Pete Sward and Brad Meyer- *Defensive Down linemen*, and Milo Decker- *Honorable Mention, Defensive end*. At right, Bennett Vincent smashes through the spirit hoop before the Homecoming victory.

F-B CHEERLEADERS BOOST SCHOOL SPIRIT

The fresh-soph cheerleading squads went to Knox College in August for cheerleading camp. The Cambridge girls brought home many ribbons and the First place trophy.

The football cheerleaders worked hard and enthusiastically this year. They made hoops for the players to run through before each game. The girls helped build spirit within the school and remained optimistic through the season, despite the team's unimpressive record.

Above: Kevin Johnson proves that not all cheerleaders are beautiful. Right: Fresh-Soph cheerleaders; Gina Nelson, Sheri Robinson, Deena Schnowske, Chris Rumley; Kathy Conrad. Below: Varsity cheerleaders; Lisa Nelson, Rindy Bumann, Becky Hanson, Lisa Moore, Joni Hancock.

The varsity volleyball team started off a very successful season by taking second place in the Geneseo Invitational Tournament. The Vikes defeated Atkinson and Geneseo in two-game matches to get that far. Unfortunately, Kewanee slipped by the Cambridge team for first place in the tournament. The volleyball season went very well for the team. Cambridge finished the conference play as co-champions, with a 6-1 conference record. The v-ballers' one loss went to Toulon, but they came back at the end of the season to defeat Alwood and Wethersfield, two of the toughest teams in the Lincoln Trail Conference. The season ended with a 15-5 overall record.

The Vikings had three players that made all-conference teams: Miss Dybdal-*first pick*, Julie Vincent-*Honorable Mention*, and Kris Dybdal-*Honorable Mention*.

Leanne Weber and Tracie Hancock, sophomore starters, were consistent players for the fresh-soph team.

The fresh-soph volleyball team didn't have the successful season they had hoped for. With so many inexperienced players, it was hard for the team to work off all the rough edges. Their season ended with a 3-5 conference record and a 4-7 overall record. The team shows great promise for next year with 19 returning lettermen.

The Fresh-soph team did well this year. They placed fourth in conference play with a seven win, seven loss record. They had an overall record of nine wins and ten losses. With nine freshmen returning to the team, the team should be well balanced next year.

Darren Devinney and Jeff Walsh both have accurate shots from the corner.

The varsity boys' basketball team had many problems in the '79-'80 season. One of their main problems was that there were too many turnovers in most of their games. The team had a good shot and rebound percentage, but they just couldn't overcome the turnover problem. This was one of the biggest factors in the team's losses.

In spite of all their problems, the Vikings played some very good games. One of their best games was the game they played against Wethersfield. They stayed close to the Geese all the way through, but in the end, Wethersfield went ahead and won the game by only six points.

The team also did well in the Winola Holiday Tournament. They defeated Monmouth-Warren, but were defeated by Aledo and Westmer. This meant that the team placed fourth out of the eight teams in the tournament. The season ended well.

The girl's Varsity Basketball squad had a triumphant season this year. They went to two pre-season tournaments, the Winola Invitational and the Atkinson Invitational, and came home from both with first place trophies. They did as well in regular season play, winning an undefeated conference title, and losing only to Bradford, a non-conference team. The girls captured the Regional title by defeating Wethersfield 47-40. The Vikes then brought home a second place trophy from the Sectional Tournament.

The Fresh-soph basketball squad also had a good season this year. Their shooting improved and the freshman class added height on the boards. The 1979-80 Viking wrestling squad faced a tough season. Due to the lack of experience, the team's record was very disappointing, with 5 wins and 13 losses. Even so, the wrestlers battled it out and put up some tough matches. The Vikes placed third in the Viking Invitational and earned a lot of credit for their perseverance, encouragement and support.

ON YEARBOOK

Mrs. Decker, advisor, and Wendy Morey work on headlines as Lori Ryan and Sue Moore look on.

This years Viking Staff members were hard at work throughout the year with a 40 page deadline at the beginning of March and two more deadlines by June. At the beginning of the school year there were many decisions to be made. A theme had to be chosen and a cover had to be picked. After this was accomplished, in October the staff began to take orders for the 1979-80 yearbooks. The staff also had many duties and responsibilities outside of the yearbook work. There was candy to be ordered and foodstands to be set up. Come rain or shine, melt or freeze, the staff worked at the foodstands for football games, basketball games, and track meets. They also sold candy to hungry souls after school.

FHA began the year's activities with the initiation of freshmen at the Early Bird Breakfast. The year was full of many more activities including the annual style show and salad bar on September 25, Daddy-Date Night on January 22, and the Sadie Hawkins dance on April 11. In the spring, FHA members sold donuts to hungry students before school on Friday mornings. On April 29, girls earning 95 points to more, took a trip to Navoo. The girls toured the old colony and visited the cheese factory. The final FHA activity was the Mother-Daughter banquet held May 6 at the Deck in Geneseo. The program included a ventriloquist act by Lisa Kappelman, a slide presentation by Rev. Robert Lawrey and the installation of new officers.

The Viking Band was under the direction of Mr. Swendsen, the new band leader. Fourteen new members joined to make thirty people in this year's band. New formations and different songs gave the marching band an exciting new look and sound. Another new addition was the Viking Jazz Band. The Jazz band played to a responsive audience at the Christmas concert and was greatly appreciated. The Pep Band played at the boys' basketball games. Here again the new sound was very well received. All in all, the '79-'80 Viking Band was a great improvement over past years.

The 1979-80 Pom Pon squad not only performed to a new beat, but under new direction also. With the addition of Miss White, new pom pon advisor, and Mr. Swendson, new band director, the squad performed a variety of successful routines. Among those performed were routines to AC-DC's "It's a Long Way to the Top," and "TNT." For the final routine of the year a double performance was given. The first routine was done as a "Salute to Winter," to the music of "The Stripper." The second was a pantomime dance to the song "You make me Feel Like Dancing."

ACTIVITIES

WORKING TOGETHER MAKES SPIRIT WEEK FUN

Above: The senior football players spent Spirit Week painting up Greg Johnson's old car which had all their names and numbers on it. The "Viking Staf Car" pulled the senior's winning float in the Homecoming parade. Below: The students watch as the cheerleaders display their cheering talents during activity period.

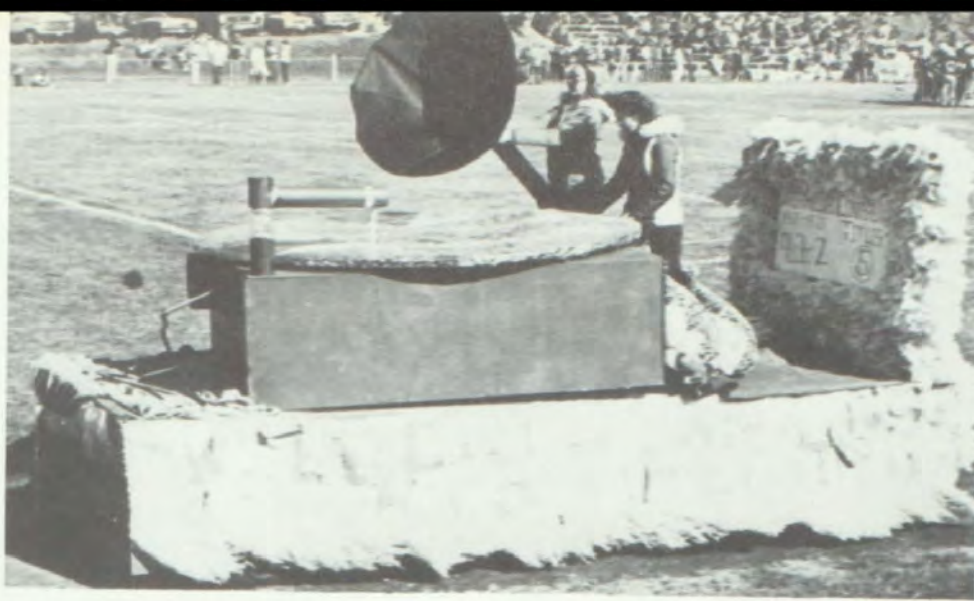

The 1979 Homecoming festivities started off with Spirit Week. Although the week was cut short due to a holiday and teachers institute, the students enthusiastically participated in the weeks activities which included class pyramids and yell-offs at noon. The GAA helped build spirit by painting all the school windows. Each class was assigned a section of the building to decorate. Spirit Week reached its climax with the bonfire and pep rally on Thursday night. The classes competed in a yell-off for the coveted "spirit stick" which was won by the seniors. Later the Wildcat was burned in effigy at the bonfire. The traditional hayrack ride through town completed the activities.

Right: The freshmen placed 2nd in their first Homecoming parade, with the theme "Over the Rainbow Lies a Victory." Below: The Viking marching band leads the Homecoming parade down main street.

The Homecoming Royalty was introduced during the parade. Greg Johnson and Regina Grant were crowned King and Queen. Pete Sward and Kathy Talbott were named Lord and Lady by student council vice-president, Mary Stanley. Class float competition was won by the Seniors, with the freshmen placing second, Juniors third, and Sophomores, fourth. This year the Galva High School Band was invited to march in the parade. They placed second in the band competition with Cambridge High Band taking first. Also participating were the pom pon girls and many business and organizational floats. The elementary school even had a winning float in its class.

Below: The juniors took 3rd place with the theme "Vikings are MOOving to a victory." Right: "Vikings Reign Supreme" was the theme for the sophomores float which took 4th in the class float competition.

The Vikings defeated Galva in a nerve-racking game. At the end of regulation time, the score was tied at 12-12, forcing the game into overtime. The Vikings won the coin toss and received the ball first on the 10 yard line. They succeeded in scoring a touchdown, but the PAT failed. Then it was Galva's turn. The strong Viking Defense refused to let Galva into the endzone. With a final score of 19-12, the Vikings kept their Homecoming winning streak alive.

The play opened when a caterer, his wife and their daughter were accused of taking photographs of secret rocket missile bases. They sought asylum from the secret police in the American Embassy. While the Ambassador was in the States, his son, who had been kicked out of many countries, tried to run the embassy. The Hollander's meet Father Drobney, who many years ago had sought asylum in the American Embassy. The Ambassador's son and Father Drobney try to plan an escape for the Hollanders, but fail. The Ambassador finally returns and the matter is settled.
