Left: An early morning ritual is sitting in the hallway before class. Here a group of junior girls sit and chat.

Below: A familiar sight this year was freshmen singing "We Love You Seniors," here Kim Mosier, Britta Burgeson, Ashley Blade, Darci DeGroot, Shea Ericson, Jill Hutchinson, and Amanda Blackert do just that.

A WALK ON THE WILD SIDE
Above: The senior football players try not to fall off the railing while they watch the bonfire.

Above Left: Getting caught by the camera when you're not expecting it is great isn't it? Stephen Murphy and Dale Diamond agree.

Left: At the FHA wiener roast the senior members pose for a picture. This was the first year that guys actually joined FHA.

These three senior football players smile not knowing what sweet surprise their moms & Mike Secymore have in store for them at the bonfire.

Brad Haverback, Pete Wislander, and Rusty Larson finally get the senior privilege of being first in the lunch line after going through three years of being cut by upper classmen.

Sweet Memories

"This group of students is one that is very close to my heart. This class of seniors has been together since they were freshman. To be part of this band's maturity and progress has been a pleasure, not a job. It proves to that a group can succeed with hard work and support from others around them and that people should never use things such as a school size or age as excuses for mediocrity. I congratulate all of these students on their hard work and dedication. It was a year to remember!"

Mr. Carl Goff

Now and Later

After 31 years of problem assignments, current events, critical analysis, and a generous helping of red marks, Mr. Carl Goff has decided to retire.

During his 31 years here, Mr. Goff has taught World History, U.S. History, Sociology, and Economics. He has also served as athletic director, head varsity football coach, varsity girls basketball coach and 8th grade girls basketball coach.

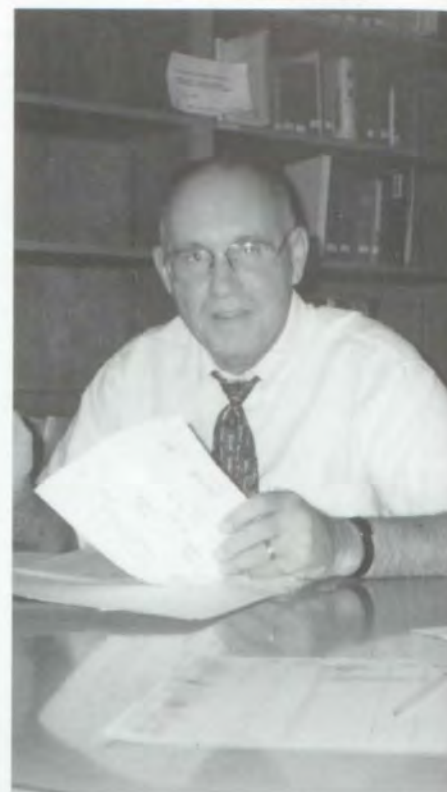

Never known to be a mean motor scooter, Mr. Goff is easy to get along with and has always been one of the students' favorites. He is also one of the most respected teachers at this school.

When Mr. Goff leaves he will be sadly missed by all of the students and faculty. He

has been a great asset to Cambridge High School and his retirement will bring two words to everyone's mind:

"Oh Boo!"

"Shazam!"

Back in the Day Above: Mr. Goff looks over football plays from his 1971 season.

Bald is Beautiful Right: As a reward for getting second place in the tournament, Mr. Goff allowed his 8th grade girls basketball team to shave his head.

Golf 1997

Swinging To The Milky Way!

The 1997 season was a learning season for the Cambridge Golf Team. There were a total of 19 golfers this year. However, there were only three seniors on the team so the younger golfers were forced to contribute early and often. This provided

some valuable experience for these golfers in the future. Throughout the season the team members worked hard at improving their scores and learning about the game.

Cheerleading.... Sweet Rewards

The cheerleaders have many jobs besides cheering the teams on to victory. This year was a busy year. They attended summer camp at Western Illinois University in July. They recieved many ribbons and awards while attending camp. The cheerleaders competed at the Henry County Fair talent contest and received second place and Best Costumes. The

next competition they attended was the International Open Cheerleading Championships held in Nashville, Tennessee. They qualified for this competition by placing at summer camp. They spent many months preparing for this event. They also competed at a regional competition in January in Kincaid, Illinois. The girls just missed making it to the state competition. The squad did their usual things such as making posters and hoops for every game, making suppers for the players, the annual BBQ supper, the bonfire, pep assemblies, and many other things. The cheerleaders work hard all year (even at six in the morning) and do many things. They had a very exciting year to cheer for and would like to thank the teams for that! The senior cheerleaders would like to thank the other cheerleaders for such a memorable year.

Homecoming '97- Adventures Under the Sea

This year's Homecoming was on September 20, 1997. The week started off with the cheerleaders staying the night and decorating every inch of the school. For spirit week, there was noon activities and dress-up themes for each day. Of course, the seniors won the tug-of-war on Friday. On Thursday the cheerleaders held the BBQ supper and the seniors started a new tradition by lighting a "98" after the champion walk. The cheerleaders, poms, band, football players, and their parents entertained at the bonfire. John Tyler and Amanda Kelley lit the bonfire after being named King and Queen. On Saturday morning, the festivities started off with all the floats, bands, horses, etc. parading through the town. Next was the Junior class dinner followed by the Viking victory against Galva. The final score was 7 to 6. After the game everybody rushed home to get ready for the dance. The dance was held from 8-11 with coronation at 9 o' clock. Homecoming was a blast and "sweet memories" were made for all.

Below: Angie Sovey & Meghan Carlson watch as Culley Medley & Mike Secymore get all twisted up. The senior football players and their dads played Twister to entertain the crowd at the bonfire. Some football players and their moms also went through an obstacle course.

Gumdrops

This year's members of the peer resistance team are Matt Baylor, Molly Shafer, Breanna Shafer, Katie Carrico, John Richter, Melissa Johnson, Tabatha Malmen, Kristin Berthold, and Brent Yarger. They attended a teen conference at Black Hawk East in Kewanee at the beginning of the year. Their main project is to go to the grade school and educate the fifth graders about pressures and ways to say "no!" This year they used a Wheel of Fortune and Jeopardy game to help them out.

Student Council

This year's student council members were busy with the usual things, such as planning and decorating for the Homecoming dance, ordering mums, and lining up corvettes for the parade. They were also put in charge of Operation Cool. They had many meetings to organize this activity. This was a way to get students to wear their seatbelts. There were many nice prizes given out every week. At the end of the year, one student was picked to be put in the drawing for a brand new 1998 car. This was organized by the Illinois State Police.

We would like to say thank you to our photographer Kathy Stomquist for taking all of our pictures, and our representative Kerry Hanrahan for bringing us food every time she visited us. We would like to thank everybody who actually takes the time to read this for buying this book. Some of the Seniors will be missed and some won't, but we wish the best to all of them.
